SUMMARY ANALYSIS

This bill provides that a district school board sponsor of a charter school will not be held liable for civil damages for actions or omissions committed by the charter school's governing board, its officers, or employees.

This bill also provides that the sponsor's duty to monitor a charter school may not be used as the basis for a lawsuit against the sponsor. However, a school district sponsor remains subject to tort liability for acts or omissions under the sponsor's direct authority. This bill further insulates a school district from assumption of contractual debts of the charter school to cover all contracts made between the charter school governing body and a third party.

This bill does not appear to have a fiscal impact on state or local governments.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Provide limited government -- This bill reduces the contractual liability of school district sponsors for the contracts of charter schools.

B. EFFECT OF PROPOSED CHANGES:

Background

Charter schools are public schools that operate under a performance contract, or a "charter," entered into with a sponsoring school district. The charter school statute (s. 1002.33, F.S.) frees a charter school from many regulations created for traditional public schools while holding such a charter school accountable for academic and financial results.

Current Law

School Board Sponsor Liability

Section 1002.33, F.S. is silent with respect to whether a sponsor school district can be held liable for the acts and omissions of charter schools or their agents, employees or governing board. In *P.J. v. Gordon*, the United States District Court for the Southern District of Florida ruled that the school board's statutory responsibilities for approving the school's charter and monitoring its implementation do not subject it to civil liability for actions and omissions relating to the day-to-day management of the charter school.¹ The court noted the district sponsor's statutory duties involve ensuring academic accountability, monitoring revenues and expenditures, and approving and monitoring the provisions of the charter agreement. The court specifically ruled that s.1002.33, F.S. imposes no duty on the school board sponsor to monitor or supervise the hiring, training or supervision of the charter school's employees or to ensure that the charter school maintains adequate procedures for ensuring the safety and welfare of its students.²

Sovereign Immunity

"Article X, section 13 of the Florida Constitution provides 'absolute immunity for the state and its agencies absent waiver by legislative enactment or a constitutional amendment.'" ³ Section 768.28(5), F.S., provides a limited waiver of the state's sovereign immunity by making the state and its agencies and subdivisions liable for tort claims in the same manner and to the same extent as a private individual under the circumstances. Florida's Fourth District Court of Appeal recently affirmed that certain discretionary, planning-level decisions of a school board remain immune from tort liability.⁴

Contract Liability

In the event of a non-renewal or termination of a charter, s. 1002.33, F.S. currently prevents a district from assuming any of the charter school's debts for service contracts, except where the district and the

Indian River County*, 371 So. 2d 1010, 1022 (Fla. 1979) (holding that although s. 768.28 evinces the intent of the legislature to waive sovereign immunity on a broad basis, nevertheless, certain "discretionary" governmental functions remain immune from tort liability)).

charter school governing board previously agreed in detail in writing that the district would assume the debt.

Effect of Bill

This bill codifies the court's ruling in *P.J.* with regard to the district's immunity from suit for day-to-day operations (acts and omissions) of a charter school as well as employment actions of a charter school. The bill further provides the district with protection from any private cause of action based on the monitoring responsibilities of the district with regard to any charter school it sponsors.

In the context of charter schools, to the extent a sponsor school district's monitoring duties may be properly characterized as "discretionary" or "planning-level," they may already be immune from tort liability under the doctrine of sovereign immunity. The bill serves as legislative intent *not* to waive sovereign immunity for such duties.

This bill expands the contract limitation to include all contractual debts of the charter school, not just those for services. Finally, the bill includes a provision that school district sponsors remain subject to liability for acts or omissions under the sponsor's direct authority as described in s. 1002.33, F.S.

C. SECTION DIRECTORY:

Section 1, amends s. 1022.33, F.S. relating to charter schools.

Section 2, provides an effective date of July 1, 2006.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

This bill does not appear to require counties or municipalities to take an action requiring the expenditure of funds, reduce the authority that counties or municipalities have to raise revenue in the aggregate, nor reduce the percentage of state tax shared with counties or municipalities.

2. Other:

Access to Courts

Article I, section 21 of the Florida Constitution provides: "The courts shall be open to every person for redress of any injury, and justice shall be administered without sale, denial or delay."⁵ In *Kluger v. White*,⁶ the Florida Supreme Court held that where a right to access the courts for redress for a particular injury predates the adoption of the access to courts provision in the 1968 state constitution, the Legislature cannot abolish the right without providing a reasonable alternative unless the Legislature can show an overpowering public necessity to abolish the right and no alternative method of meeting such public necessity.⁷

Based on the ruling by the court in *P.J. v. Gordon* it does not appear that a person has a cause of action to sue a school board for the torts of a charter school. To the extent that this bill merely codifies existing law, it may not implicate the access to court provision.

C. DRAFTING ISSUES OR OTHER COMMENTS:

IV. AMENDMENTS/COMMITTEE SUBSTITUTE & COMBINED BILL CHANGES

On March 7, 2006, the Choice and Innovation Committee adopted one amendment and reported the bill favorably with a Committee Substitute (CS). The amendment narrowed the scope of the expression of intent not to waive sovereign immunity.

SUMMARY ANALYSIS

The bill amends the Florida Deceptive and Unfair Trade Practices Act by changing obsolete dates and allowing an action to be brought in the name of and on behalf of a defendant.

This bill does not appear to have a fiscal impact on state or local government.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

This bill does not appear to implicate any of the House Principles.

B. EFFECT OF PROPOSED CHANGES:

Current Law

The Florida Deceptive and Unfair Trade Practices Act ("FDUTPA")¹ was enacted "[t]o protect the consuming public and legitimate business enterprises from those who engage in unfair methods of competition, or unconscionable, deceptive, or unfair acts or practices in the conduct of any trade or commerce."²

Businesses and individuals are afforded broad protection from unfair or deceptive acts or practices under FDUTPA. FDUTPA states a broad proscription, which applies through civil enforcement across industries and business conduct generally in any medium. FDUTPA, Part II of ch. 501, F.S., provides remedies and penalties for "[u]nfair methods of competition, unconscionable acts or practices, and unfair or deceptive acts or practices in the conduct of any trade or commerce..."³

Under FDUTPA, the Attorney General or other enforcing authority may bring an action on behalf of a consumer⁴ and seek the appointment of a receiver⁵ or fiduciary to seek redress. A receiver only has the powers given to him or her by statute or by order of appointment.⁶ Under most circumstances, it is the receiver's duty to safeguard the property in his or her custody and to protect the rights and interests of all claimants while still maintaining neutrality.⁷

A receivership allows the court to accomplish "complete justice," with the goal of providing protection to the property at issue until the final disposition of the matter.⁸ An appointment of a receiver is an equitable question and not a matter of right.⁹ Typically, the appointment of a receiver is an ancillary remedy and can only be obtained in connection with some other action to obtain a specific relief.¹⁰

It is unclear whether a receiver or other court appointed person has standing to bring a proceeding on behalf of defendants against a third party who may have an involvement in the wrongdoing.

Effect of Bill

The bill amends authorizes a court to permit actions "in the name of and on behalf of the defendant enterprise." The effect is to allow a receiver or other court appointed person to bring an action on behalf of a defendant against a third party who played some role in the alleged wrongdoing.

SUMMARY ANALYSIS

A condominium is created by recording a declaration of condominium in the public records of the county in which the condominium will be located. A declaration of condominium may be amended as provided in the declaration. This bill revises condominium association powers and provides that leaseholds and other possessory and use interests can only be acquired by means provided in the declaration of condominium or by approval of 3/4 of the voting interest instead of 2/3 of the voting interest provided in current law.

A homeowners' association is a corporation responsible for the operation of a community in which voting membership is made up of parcel ownership and in which membership is a mandatory condition of parcel ownership, and which is authorized to impose assessments that, if unpaid, may become a lien on the parcel. This bill increases the regulation of homeowners' associations by:

- Providing that non-regulated homeowners' associations may use statutory provisions to revive expired covenants.
- Revising provisions pertaining to board meetings to lessen notice requirements regarding regular assessments.
- Revising the requirements for providing information about a homeowners' association to a prospective purchaser or lienholder.
- Expanding the deadline for preparing an annual financial report.
- Allowing a fine to become a lien if it is for violating governing documents that have been recorded in the public record.
- Specifying that merger or consolidation of associations is not a material or adverse alteration of the voting interest.

This bill also repeals the dispute resolution provisions relating to homeowners' associations.

This bill appears to have a negative recurring fiscal impact on state revenues of approximately \$250,000, commencing in FY 2006-2007, affecting the Division of Florida Land Sales, Condominiums, and Mobile Homes Trust Fund. This bill does not appear to have a fiscal impact on local governments.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Provide limited government -- This bill eliminates the responsibility of the Department of Business and Professional Regulation (DBPR) to provide alternate dispute resolution services regarding disputes between homeowners' associations and individual members.

Promote personal responsibility -- This bill increases personal responsibility by allowing a fine for violating the governing documents of a homeowners' association to become a lien on member's parcel under certain circumstances.

B. EFFECT OF PROPOSED CHANGES:

Background

A condominium is a "form of ownership of real property created pursuant to ch. 718, F.S., which is comprised entirely of units that may be owned by one or more persons, and in which there is, appurtenant to each unit, an undivided share in common elements".¹ A condominium is created by recording a declaration of condominium in the public records of the county in which the condominium will be located.² A declaration is like a constitution in that it:

"Strictly governs the relationships among condominium units owners and the condominium association. Under the declaration, the Board of the condominium association has broad authority to enact rules for the benefit of the community."³

A declaration may include covenants and restrictions concerning the use, occupancy, and transfer of the units permitted by law with reference to real property.⁴ A declaration of condominium may be amended as provided in the declaration. If the declaration does not provide a method for amendment, it may generally be amended as to any matter by a vote of two-thirds of the units.⁵

A homeowners' association is a Florida corporation responsible for the operation of a subdivision in which voting membership is made up of parcel ownership and in which membership is mandatory condition of parcel ownership, and which is authorized to impose assessments that, if unpaid, may become a lien on the parcel.⁶ Homeowners' associations are regulated under chapter 720, F.S.

Effect of Bill

Covenant Revitalization

The governing documents in some Florida homeowners' associations provide for an expiration of the community covenants after a specified number of years. The Marketable Record Title Act, s. 712.05, F.S., will cause covenants to lapse by operation of law either where the covenants are silent as to expiration, or where the Marketable Record Title Act period is shorter than the stated expiration time. Residents in these communities have the option to revive the covenants after the expiration by following the procedural steps found in ss. 720.403 - 720.407, F.S. Currently, the covenant revitalization procedures contained in ss. 720.403 - 720.407, F.S., are not available to any

homeowners' association not governed by ch. 720, F.S., such as associations governing communities that are comprised of property primarily intended for commercial, industrial, or other non-residential use. Chapter 720, F.S. governs only residential homeowners' associations where membership is a mandatory condition for the owners of property upon which assessments are required and may become a lien on the parcel⁷, thus, non-mandatory associations may not revive covenants pursuant to ss. 702.403 - 702.407, F.S.

This bill creates s. 712.11, F.S., to provide that a homeowner's association that is not subject to ch. 720, F.S. may use the procedures established in ss. 720.403, F.S. - 720.407, F.S., to revive covenants that have lapsed under the terms of chapter 712, F.S. This bill would allow homeowners' associations that are not regulated by ch. 720, F.S., to utilize the covenant revitalization procedures available to mandatory homeowners' associations.

Condominium Association Powers

Section 718.114, F.S., provides for the powers of a condominium association. Among other powers, an association has the authority to enter into agreements and acquire leaseholds, memberships, and other possessory or use interests in lands or facilities such as country clubs, golf courses, marinas, and other recreational facilities. All leaseholds, memberships, and other possessory or use interests existing or created at the time the declaration was recorded must be stated and fully described in the declaration. Following the recording of the declaration, the association may not acquire or enter into agreements acquiring these leaseholds, memberships, or other possessory or use interests except as authorized by the declaration. If the declaration does not provide this authority, then the declaration can be amended if the amendment is approved by the owners of not less than 2/3 of the units⁸.

This bill amends s. 718.114, F.S., to provide that acquiring these leaseholds, memberships, or other possessory or use interests is a material alteration or substantial addition to association property, and the association may not acquire or enter into agreements acquiring these leaseholds, memberships, or other possessory or use interests except as authorized by the provisions in s. 718.113, F.S. Section 718.113(2), F.S., provides that there can be no material alteration or substantial additions to the common elements or to real property that is association property, except as provided in the declaration. If the declaration does not specify the procedure for approval of material alterations or substantial additions, 75% of the total voting interests of the association must approve the alterations or additions. Therefore this bill provides that acquiring leaseholds, memberships, or other use interest is a material alteration or substantial addition, and therefore, where the declaration is silent regarding the procedure for acquiring these leaseholds, memberships, or other use interest, there must be approval by 3/4 of the total voting interest of the association instead of only 2/3 as required if it were not a material alteration or substantial addition.

Purpose, Scope, and Application of Homeowners' Association Statutes

Section 720.302, F.S., pertains to the purposes, scope, and application for ch. 720, F.S. Section 720.302(3), F.S., provides that ch. 720, F.S., does not apply to the following:

- A community that is composed of property primarily intended for commercial, industrial, or other nonresidential use; or
- The commercial or industrial parcels in a community that contains both residential parcels and parcels intended for commercial or industrial use.

Section 720.302(5), F.S., provides that unless expressly stated to the contrary, corporations not for profit that operate residential homeowners' associations in this state are to be governed by and subject to ch. 617, F.S. and ch. 720, F.S.

⁷ Section 720.301(8) and (11), F.S.

⁸ Section 718.110(1)(a), F.S.

This bill amends s. 720.302(3), F.S., to provide that "except as specifically provided in ch. 720, F.S.", ch. 720, F.S. does not apply to the type of communities stated above.

This bill amends s. 720.302(5), F.S., to provide that non-profit corporations that operate homeowners' associations in Florida must be governed by and subject to ch. 617, F.S. (non-profit corporations) "or ch. 607, F.S. (corporations) if incorporated under that chapter". (See drafting comments section below).

Homeowners' Association Board Meetings

Section 720.303(2), F.S., provides requirements regarding homeowners association board meetings. Section 720.303(2)(c)2., F.S., provides that a board may not levy general or special assessments at a meeting unless the notice of the meeting includes the nature of those assessments and a statement that the assessments will be considered at the meeting.⁹ A general assessment is a share of the funds which are required for the payment of common expenses, which from time to time is assessed against the unit owner.¹⁰ A special assessment is any assessment levied against a unit owner other than the assessment required by a budget adopted annually.¹¹

This bill amends s. 720.303(2)(c)2., F.S., by changing the word "assessment" to "special assessment", and therefore, eliminates the requirement that a general assessment may not be levied at a board meeting unless notice of a board meeting states that regular assessments will be considered. This bill provides that such notice is only required when a special assessment will be considered.

Homeowners' Association Inspection and Copying of Records

Section 720.303(5), F.S., requires that a homeowners' association allow its members to inspect and copy its official records within 10 days of a written request for access. A failure to comply with such a request in a timely fashion creates a rebuttable presumption that the association failed to do so, and entitles the requesting party to actual damages, or to a minimum of \$50 per calendar day, commencing on the eleventh business day. A homeowners' association may adopt reasonable written rules governing the frequency, time, location, notice, records to be inspected, and manner of inspections, but may not impose a requirement that a parcel owner demonstrate any proper purpose for the inspection, state any reason for the inspection, or limit a parcel owner's right to inspect records less than one 8-hour business day per month. The association may impose fees to cover the costs of providing copies of the official records, including without limitation, the costs of copying. The association may charge up to 50 cents per page for copies made on the associations copy machine. If the association does not have a copy machine available where the records are kept, or if the records requested to be copied exceed 25 pages, then the association may have copies made by an outside vendor and may charge the actual cost of copying.

Current law expressly exempts the following from inspection by a member or parcel owner:

- Any record protected by attorney-client or work-product privilege;
- Information obtained in association with the lease, sale or transfer of a parcel that is otherwise privileged by state or federal law; disciplinary, health, insurance and personnel records of the association's employees; or
- Medical records of parcel owners or other community residents.¹²

This bill amends s. 720.303(5), F.S., to provide that an association or its agent is not required to provide a prospective purchaser or lienholder with information about the residential subdivision or the association unless required by ch. 720, F.S., to be made available or disclosed. This bill also provides that an association or agent may charge a reasonable fee to a prospective purchaser or lienholder or

the current parcel owner or member for providing good faith responses to requests for information, except for information required by law. The fee cannot exceed \$150 plus the reasonable cost of photocopying and any attorney's fees incurred by the association in connection with the response.

This bill provides that an association and its agent are not liable for providing information in good faith if the person providing the information includes a written statement in the following form: "The responses herein are made in good faith and to the best of my ability as to their accuracy."

Homeowners' Association Financial Reporting

Section 720.303(7), F.S., requires homeowners' associations to prepare an annual financial report within 60 days after the close of the fiscal year. The association must provide each member with a copy of the annual financial report or a written notice that a copy of the financial report is available upon request at no charge to the member.

This bill amends s. 720.303(7), F.S., to increase from 60 to 90 days the time that an association has to prepare and complete an annual financial report after the close of the fiscal year. Within 21 days after the final financial report is completed by the association, but no later than 120 days after the end of the fiscal year, the association must provide each member with a copy of the annual financial report. Homeowners' associations and condominium associations are generally operated and managed in a similar manner. The changes made by this bill will make financial reporting for homeowners associations the same as financial reporting for condominium associations. See s. 718.111(13), F.S.

Homeowners' Association Levy of Fines and Suspension of Use Rights

Section 720.305(2), F.S., provides that an association may suspend, for a reasonable period of time, the rights of a member or a member's tenants, guests, or invitees, or both to use common areas and facilities for failing or refusing to comply with the governing documents of the community. An association can also levy reasonable fines, not to exceed \$100 per violation, against any member or tenant, guest, or invitee for failing or refusing to comply with the governing documents of the association. The fine can be levied each day that the violation continues, however, no fine can exceed \$1,000 unless it is allowed in the governing documents. A fine cannot become a lien against a parcel.

This bill amends s. 720.305(2), F.S., to provide an exception to the provision that a fine cannot become a lien against a parcel. This bill provides that a fine may become a lien against a parcel if it is levied for a violation of the governing documents which have been recorded in the public records of the county where the property is located. The fine cannot exceed \$1,000.

Mergers

Section 720.306(1)(c), F.S., provides that an amendment may not materially and adversely alter the proportionate voting interest attached to a parcel or increase the proportion or percentage by which a parcel shares in the common expenses of the association, unless all owners and lienholders join in the execution of the amendment.

This bill amends s. 720.306(1)(c), F.S., to provide that the merger or consolidation of associations under ch. 607, F.S. (regulating corporations) or ch. 617, F.S. (regulating non-profit corporations), is not considered a material or adverse alteration of the proportionate voting interest appurtenant to a parcel.

Member Participation in Meetings

Section 720.306(6), F.S., provides that members and parcel owners have the right to attend all membership meetings and to speak at any meeting. A member and a parcel owner have the right to speak for at least 3 minutes on any agenda item, if the member or parcel owner submits a written request to speak prior to the meeting.

This bill amends s. 720.306(6), F.S., to limit members of an association, who wish to speak at a membership meeting, to speaking only to items on the agenda.

Publication of False and Misleading Information

Section 720.402, F.S., creates a cause of action to rescind the contract for sale or for damages against a developer for false or misleading material statements. After closing, the purchaser has a cause of action against the developer for one year after the date upon which the last of the following events takes place:

- The closing of the transaction;
- The issuance of a certificate of occupancy or other evidence to allow lawful occupancy of the residence;
- The date of lawful occupancy in counties or municipalities in which certificates of occupancy or other evidence of lawful occupancy are not customarily issued;
- The completion by the developer of the common areas and recreational facilities, whether or not they are common areas, which the developer is obligated to complete or provide under the terms of the written contract;
- The completion by the developer of the common areas and such recreational facilities, whether or not they are common areas, that the developer is obligated to complete under any rule of law if there is no written contract.

Section 720.402, F.S., also limits any cause of action brought under this provision to five years after the closing of the transaction, provides that the prevailing party may recover reasonable attorney's fees, and prohibits the developer from using association funds to defend a suit brought under this section.

This bill amends s. 720.402, F.S., to provide that this section does not limit any rights provided by common law. This section as currently written does not limit the right to sue under other legal theories. It is unclear what effect, if any, this change makes.

Proposed Revived Declaration

The governing documents in some Florida homeowners' associations provide for an expiration of the community covenants after a specified number of years. Residents in these communities have the option to revive the governing documents after the expiration date by following the procedural steps found in ch. 720, F.S. The proposal to revive the community documents must be initiated by an organizing committee of at least 3 parcel owners in the community. Section 720.405, F.S., provides certain procedures and requirements that the organizing committee must follow when seeking to revive a declaration and other governing documents.

Section 720.405(4), F.S., provides that the proposed revived declaration and governing documents must:

- Provide that the voting interest of each parcel owner is the same as the voting interest of the parcel owner under the previous governing documents;
- Provide that the proportional-assessment obligation of each parcel owner is the same as proportional-assessment obligation of the parcel owner under the previous governing documents;
- Contain the same respective amendment provisions as the previous governing documents or, if there were no amendment provisions in the previous governing document, amendment provisions that require approval of not less than two-thirds of the affected parcel owners;
- Contain no covenants that are more restrictive on the affected parcel owners than the covenants contained in the previous governing documents, except as allowed under s. 720.404(3), F.S.; and
- Comply with the other requirements for a declaration of covenants and other governing documents as specified in ch. 720, F.S.

This bill amends section 720.405(4), F.S., by removing the requirement that a proposed revived declaration and other governing documents of the community must contain no covenants that are more restrictive on the affected parcel owners than the covenants contained in the previous governing documents, except as permitted under s. 720.404(3), F.S. This requirement already exists in s. 720.404(3), F.S., which provides that "the revived declaration may not contain covenants that are more restrictive on the parcel owners than the covenants contained in the previous declaration".

Dispute Resolution

This bill repeals s. 720.311, F.S., pertaining to dispute resolution for disputes between homeowners and the homeowners' association, and therefore removes the requirement that the Department of Business and Professional Regulation implement and carry out the provisions of s. 720.311, F.S. The intent language at s. 720.302(2), F.S., is amended to reflect this change.

Jurisdiction of County Courts

County courts have jurisdiction over disputes specifically provided in the statute.

Section 34.01, F.S., provides that county courts have original jurisdiction¹³ in the following cases:

- In all misdemeanor cases not cognizable by the circuit courts;
- Of all violations of municipal and county ordinances;
- Of all actions at law in which the matter in controversy does not exceed the sum of \$15,000, exclusive of interest, costs, and attorney's fees, except those within the exclusive jurisdiction of the circuit courts; and
- Of disputes occurring in the homeowners' associations as described in s. 720.311(2)(a), which shall be concurrent with jurisdiction of the circuit courts.

Section 720.311(2)(a), F.S. provides for all of the different disputes occurring in homeowners' associations that must go through mandatory mediation. Section 34.01, F.S., provides that the county courts will have original jurisdiction over these same disputes. This bill repeals s. 720.311, F.S., which would remove from s. 34.01, F.S., the specific disputes that the county courts would have jurisdiction over. This change would make it unclear whether homeowners' association disputes should be brought in the circuit court or county court.

This bill amends s. 34.01, F.S., to change the reference to s. 720.311(2)(a) in s. 34.01(1)(d) to s. 720.311(2)(a), "Florida Statutes 2005", so that the county courts will still be able to base their jurisdiction over the specific homeowners' association disputes provided in s. 720.311(2)(a), F.S.

C. SECTION DIRECTORY:

Section 1 creates s. 712.11, F.S., to provide that homeowners' associations may use procedures established in ss. 720.403, F.S. - 720.407, F.S., to revive covenants that have lapsed under the terms of Chapter 712, F.S.

Section 2 amends s. 718.114, F.S., to revise condominium association powers pertaining to agreements acquiring possessory or use interests after recording the declaration.

Section 3 amends s. 720.302, F.S., to revise the purpose, scope, and application of ch. 720, F.S. and to remove the reference to s. 720.311, F.S.

Section 4 amends s. 720.303, F.S., to revise the provisions for homeowners' association board meetings. This section also amends 720.303(5), F.S., relating to the copying and inspection of

¹³ The original jurisdiction of a court refers to matters on which the court rules in the first instance, as opposed to matters in which it reviews the decision of another court.

homeowners' association records. This section amends 720.303(7), F.S., revising the time period for when an association must prepare and complete a financial report for the preceding fiscal year.

Section 5 amends s. 720.305, F.S., to revise provisions related to the levy of fines and suspension of use rights.

Section 6 amends s. 720.306, F.S., revising provisions pertaining to meetings of members and amendments providing that merger or consolidation of associations is not considered a material or adverse alteration of the proportionate voting interest appurtenant to a parcel, and providing that members and parcel owners have the right to speak at any meeting in reference to all agenda items.

Section 7 amends s. 720.402, F.S., to add a provision that the section does not limit any rights provided by common law.

Section 8 amends s. 720.405, F.S., to remove language provided elsewhere in ch. 720, F.S.

Section 9 repeals s. 720.311, F.S., pertaining to alternative dispute resolution

Section 10 amends s. 34.01, F.S., to revise provisions related to the jurisdiction of county courts to conform to other changes made in the bill.

Section 11 provides an effective date of July 1, 2006.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

None.

2. Expenditures:

None.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

By repealing s. 720.311, F.S., this bill will allow members and homeowners' associations in a dispute from paying the \$200 fee to the Department of Business and Professional Regulation. The costs of going straight to court and not resolving disputes through alternative dispute resolution are indeterminate.

D. FISCAL COMMENTS:

Comments from the Department of Business and Professional Regulation

The bill will eliminate the department's homeowners' association mandatory mediation and arbitration programs contained in Chapter 720, Florida Statutes, and the corresponding homeowners' association fees collected by the department. There were no positions or funding provided to administer the homeowners' association program when it began in FY 2004-05. Currently, the department utilizes two condominium mediators to hear homeowner mediation cases and one condominium arbitrator to hear homeowner association disputes, in addition to their condominium case workloads. Elimination of the programs would end the \$200 per case filing fee currently collected for these cases.

From the homeowners' association arbitration and mediation programs' effective date on October 1, 2004 up to November 22, 2005, the division received 11 petitions for arbitration, 1,007 petitions for mediation, and approximately \$203,600 in related filing fees. Approximately 63 mediations were assigned to division mediators and the remaining petitions were referred to private mediators. Departmental arbitrators performed all arbitrations. Approximately \$49,348.45 was assessed to parties for reimbursement of division expenses involved in these proceedings. The department projects homeowners' association mediation and arbitration filing fees in FY 2006-07 of \$264,000. The bill will reduce fees collected by the division since the homeowners' association mediation and arbitration programs are funded based on user fees.

Comments by the Civil Justice Committee

The fiscal analysis prepared by DBPR does not appear to have adequately addressed the reduction in responsibility, and corresponding reduction in expenses, that would result from this bill.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

This bill does not appear to require counties or municipalities to take an action requiring the expenditure of funds, reduce the authority that counties or municipalities have to raise revenue in the aggregate, nor reduce the percentage of state tax shared with counties or municipalities.

2. Other:

This bill provides that a fine cannot become a lien against a parcel "unless it is levied for a violation of governing documents that have been recorded in the public records of the county where the property is located." This exception could possibly be a violation of the Contract Clause of the Florida Constitution. Article I, Section 10 of the Florida Constitution provides: "[n]o bill of attainder, ex post facto law or law impairing the obligation of contracts shall be passed."¹⁵ "A statute contravenes the constitutional prohibition against impairment of contracts when it has the effect of rewriting antecedent contracts, that is, of changing the substantive rights of the parties to existing contracts."^{16 17}

The Supreme Court of Florida in *Pomponio v. Claridge of Pompano Condominium, Inc.*, 378 So. 2d 774 (Fla. 1979) held that laws impairing contracts can be unconstitutional if they unreasonably and unnecessarily impair the contractual rights of citizens.¹⁸ The *Pomponio* Court indicated that the "well-accepted" principle in this state is that virtually no degree of contract impairment is tolerable in this state." *Pomponio*, 378 So. 2d at 780. When seeking to determine what level of impairment is constitutionally permissible, a court "must weigh the degree to which a party's contract rights are statutorily impaired against both the source of authority under which the state purports to alter the contractual relationship and the evil which it seeks to remedy." *Id.*

In other words, "[t]his method requires a balancing of a person's interest not to have his contracts impaired with the state's interest in exercising its legitimate police power." *U.S. Fidelity and Guar. Co. v. Department of Ins.*, 453 So. 2d 1355, 1360-61 (1984). What should be reviewed when considering this balancing test?

[T]he United States Supreme Court recently outlined the main factors to be considered in applying this balancing test. The threshold inquiry is whether the state law has, in fact, operated as a substantial impairment of a contractual relationship. The severity of the impairment is said to increase the level of scrutiny to which the legislation will be subjected. Total destruction of contractual expectations is not necessary for a finding of substantial impairment. On the other hand, state regulation that restricts a party to gains it reasonably expected from the contract does not necessarily constitute a substantial impairment. In determining the extent of the impairment, we are to consider whether the industry the complaining party has entered has been regulated in the past. The Court long ago observed: One whose rights, such as they are, are subject to state restriction, cannot remove them from the power of the State by making a contract about them. If the state regulation constitutes a substantial impairment, the State, in justification, must have a significant and legitimate public purpose behind the regulation such as the remedying of a broad and general social or economic problem. Furthermore, since *Blaisdell*, the Court has indicated that the public purpose need not be addressed to an emergency or temporary situation. One legitimate state interest is the elimination of unforeseen windfall profits. The requirement of a legitimate public purpose guarantees that the State is exercising its police power, rather than providing a benefit to special interests.

¹⁵ Article 1, Section 10(1) of the U.S. Constitution provides: "No State shall . . . pass any Bill of Attainder, ex post facto Law, or Law impairing the Obligation of Contracts"

¹⁶ 10a Fla. Jur. s. 414, Constitutional Law.

¹⁷ The term impair is defined as "to make worse; to diminish in quantity, value, excellence, or strength; or to lessen in power or weaken." 10a Fla. Jur. s. 414, Constitutional Law.

¹⁸ The Florida Supreme Court has adopted the method of analysis from the United States Supreme Court in cases involving the contract clause. *Pomponio*, 378 So. 2d at 780.

Once a legitimate public purpose has been identified, the next inquiry is whether the adjustment of the rights and responsibilities of contracting parties [is based] upon reasonable conditions and [is] of a character appropriate to the public purpose justifying [the legislation's] adoption. Unless the State itself is a contracting party, as is customary in reviewing economic and social regulation, courts properly defer to legislative judgment as to the necessity and reasonableness of a particular measure.

U.S. Fidelity and Guar. Co., 453 So.2d at 1360-61 (Fla. 1984) (internal citations and quotations omitted).

B. RULE-MAKING AUTHORITY:

The bill will require the repeal of Ch. 61B-80, F.A.C., containing the arbitration procedural rules regarding election and recall disputes; Ch. 61B-81, F.A.C., the substantive rules for recalls in homeowners' associations; Ch. 61B-82, F.A.C., containing the mediation rules of procedure, and Ch. 61B-83 governing the certification of community association mediators and arbitrators.

C. DRAFTING ISSUES OR OTHER COMMENTS:

This bill provides that not for profit corporations that operate homeowners' associations are governed by ch. 720, F.S. (homeowners' association), ch. 617, F.S. (not for profit corporations), and ch. 607 (for profit corporations). It is unclear why this section references for profit corporations when the section is only pertaining to not for profit corporations.

resolution process; amending s. 34.01, F.S.; conforming a cross-reference; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 712.11, Florida Statutes, is created to read:

712.11 Covenant revitalization.--A homeowners' association that is not subject to chapter 720 may use the procedures in ss. 720.403-720.407 to revive covenants that have lapsed pursuant to this chapter.

Section 2. Section 718.114, Florida Statutes, is amended to read:

718.114 Association powers.--An association has the power to enter into agreements, to acquire leaseholds, memberships, and other possessory or use interests in lands or facilities such as country clubs, golf courses, marinas, and other recreational facilities. It has this power whether or not the lands or facilities are contiguous to the lands of the condominium, if they are intended to provide enjoyment, recreation, or other use or benefit to the unit owners. All of these leaseholds, memberships, and other possessory or use interests existing or created at the time of recording the declaration must be stated and fully described in the declaration. Subsequent to the recording of the declaration, agreements acquiring these leaseholds, memberships, or other possessory or use interests shall be considered a material alteration or substantial addition to the real property that is

2006

association property, and the association may not acquire or enter into agreements acquiring these leaseholds, memberships, or other possessory or use interests except as authorized by the declaration as provided in s. 718.113. The declaration may provide that the rental, membership fees, operations, replacements, and other expenses are common expenses and may impose covenants and restrictions concerning their use and may contain other provisions not inconsistent with this chapter. A condominium association may conduct bingo games as provided in s. 849.0931.

Section 3. Section 720.302, Florida Statutes, is amended to read:

720.302 Purposes, scope, and application.--

(1) The purposes of this chapter are to give statutory recognition to corporations not for profit that operate residential communities in this state, to provide procedures for operating homeowners' associations, and to protect the rights of association members without unduly impairing the ability of such associations to perform their functions.

(2) The Legislature recognizes that it is not in the best interest of homeowners' associations or the individual association members thereof to create or impose a bureau or other agency of state government to regulate the affairs of homeowners' associations. ~~However, in accordance with s. 720.311, the Legislature finds that homeowners' associations and their individual members will benefit from an expedited alternative process for resolution of election and recall disputes and presuit mediation of other disputes involving~~

HB 957

2006

85 ~~covenant enforcement and authorizes the department to hear,~~
86 ~~administer, and determine these disputes as more fully set forth~~
87 ~~in this chapter.~~ Further, the Legislature recognizes that
88 certain contract rights have been created for the benefit of
89 homeowners' associations and members thereof before the
90 effective date of this act and that ss. 720.301-720.407 are not
91 intended to impair such contract rights, including, but not
92 limited to, the rights of the developer to complete the
93 community as initially contemplated.

94 (3) Except as specifically provided in this chapter, this
95 chapter does not apply to:

96 (a) A community that is composed of property primarily
97 intended for commercial, industrial, or other nonresidential
98 use; or

99 (b) The commercial or industrial parcels in a community
100 that contains both residential parcels and parcels intended for
101 commercial or industrial use.

102 (4) This chapter does not apply to any association that is
103 subject to regulation under chapter 718, chapter 719, or chapter
104 721; or to any nonmandatory association formed under chapter
105 723.

106 (5) Unless expressly stated to the contrary, corporations
107 not for profit that operate residential homeowners' associations
108 in this state shall be governed by and subject to chapter 617
109 and this chapter or chapter 607 if incorporated under that
110 chapter. This subsection is intended to clarify existing law.

111 Section 4. Subsections (2), (5), and (7) of section
112 720.303, Florida Statutes, are amended to read:

HB 957

2006

113 720.303 Association powers and duties; meetings of board;
114 official records; budgets; financial reporting; association
115 funds; recalls.--

116 (2) BOARD MEETINGS.--

117 (a) A meeting of the board of directors of an association
118 occurs whenever a quorum of the board gathers to conduct
119 association business. All meetings of the board must be open to
120 all members except for meetings between the board and its
121 attorney with respect to proposed or pending litigation where
122 the contents of the discussion would otherwise be governed by
123 the attorney-client privilege.

124 (b) Members have the right to attend all meetings of the
125 board and to speak on any matter placed on the agenda by
126 petition of the voting interests for at least 3 minutes. The
127 association may adopt written reasonable rules expanding the
128 right of members to speak and governing the frequency, duration,
129 and other manner of member statements, which rules must be
130 consistent with this paragraph and may include a sign-up sheet
131 for members wishing to speak. Notwithstanding any other law, the
132 requirement that board meetings and committee meetings be open
133 to the members is inapplicable to meetings between the board or
134 a committee and the association's attorney, with respect to
135 meetings of the board held for the purpose of discussing
136 personnel matters.

137 (c) The bylaws shall provide for giving notice to parcel
138 owners and members of all board meetings and, if they do not do
139 so, shall be deemed to provide the following:

140 1. Notices of all board meetings must be posted in a

HB 957

2006

conspicuous place in the community at least 48 hours in advance of a meeting, except in an emergency. In the alternative, if notice is not posted in a conspicuous place in the community, notice of each board meeting must be mailed or delivered to each member at least 7 days before the meeting, except in an emergency. Notwithstanding this general notice requirement, for communities with more than 100 members, the bylaws may provide for a reasonable alternative to posting or mailing of notice for each board meeting, including publication of notice, provision of a schedule of board meetings, or the conspicuous posting and repeated broadcasting of the notice on a closed-circuit cable television system serving the homeowners' association. However, if broadcast notice is used in lieu of a notice posted physically in the community, the notice must be broadcast at least four times every broadcast hour of each day that a posted notice is otherwise required. When broadcast notice is provided, the notice and agenda must be broadcast in a manner and for a sufficient continuous length of time so as to allow an average reader to observe the notice and read and comprehend the entire content of the notice and the agenda. The bylaws or amended bylaws may provide for giving notice by electronic transmission in a manner authorized by law for meetings of the board of directors, committee meetings requiring notice under this section, and annual and special meetings of the members; however, a member must consent in writing to receiving notice by electronic transmission.

2. A special ~~An~~ assessment may not be levied at a board meeting unless the notice of the meeting includes a statement

HB 957

2006

that special assessments will be considered and the nature of such ~~the~~ assessments. Written notice of any meeting at which special assessments will be considered or at which amendments to rules regarding parcel use will be considered must be mailed, delivered, or electronically transmitted to the members and parcel owners and posted conspicuously on the property or broadcast on closed-circuit cable television not less than 14 days before the meeting.

3. Directors may not vote by proxy or by secret ballot at board meetings, except that secret ballots may be used in the election of officers. This subsection also applies to the meetings of any committee or other similar body, when a final decision will be made regarding the expenditure of association funds, and to meetings of any body vested with the power to approve or disapprove architectural decisions with respect to a specific parcel of residential property owned by a member of the community.

(d) If 20 percent of the total voting interests petition the board to address an item of business, the board shall at its next regular board meeting or at a special meeting of the board, but not later than 60 days after the receipt of the petition, take the petitioned item up on an agenda. The board shall give all members notice of the meeting at which the petitioned item shall be addressed in accordance with the 14-day notice requirement pursuant to subparagraph (c)2. Each member shall have the right to speak for at least 3 minutes on each matter placed on the agenda by petition, provided that the member signs the sign-up sheet, if one is provided, or submits a written

HB 957

2006

request to speak prior to the meeting. Other than addressing the petitioned item at the meeting, the board is not obligated to take any other action requested by the petition.

(5) INSPECTION AND COPYING OF RECORDS.--The official records shall be maintained within the state and must be open to inspection and available for photocopying by members or their authorized agents at reasonable times and places within 10 business days after receipt of a written request for access. This subsection may be complied with by having a copy of the official records available for inspection or copying in the community. If the association has a photocopy machine available where the records are maintained, it must provide parcel owners with copies on request during the inspection if the entire request is limited to no more than 25 pages.

(a) The failure of an association to provide access to the records within 10 business days after receipt of a written request creates a rebuttable presumption that the association willfully failed to comply with this subsection.

(b) A member who is denied access to official records is entitled to the actual damages or minimum damages for the association's willful failure to comply with this subsection. The minimum damages are to be \$50 per calendar day up to 10 days, the calculation to begin on the 11th business day after receipt of the written request.

(c) The association may adopt reasonable written rules governing the frequency, time, location, notice, records to be inspected, and manner of inspections, but may not impose a requirement that a parcel owner demonstrate any proper purpose

HB 957

2006

for the inspection, state any reason for the inspection, or limit a parcel owner's right to inspect records to less than one 8-hour business day per month. The association may impose fees to cover the costs of providing copies of the official records, including, without limitation, the costs of copying. The association may charge up to 50 cents per page for copies made on the association's photocopier. If the association does not have a photocopy machine available where the records are kept, or if the records requested to be copied exceed 25 pages in length, the association may have copies made by an outside vendor and may charge the actual cost of copying. The association shall maintain an adequate number of copies of the recorded governing documents, to ensure their availability to members and prospective members. Notwithstanding the provisions of this paragraph, the following records shall not be accessible to members or parcel owners:

1. Any record protected by the lawyer-client privilege as described in s. 90.502 and any record protected by the work-product privilege, including, but not limited to, any record prepared by an association attorney or prepared at the attorney's express direction which reflects a mental impression, conclusion, litigation strategy, or legal theory of the attorney or the association and was prepared exclusively for civil or criminal litigation or for adversarial administrative proceedings or which was prepared in anticipation of imminent civil or criminal litigation or imminent adversarial administrative proceedings until the conclusion of the litigation or adversarial administrative proceedings.

HB 957

2006

2. Information obtained by an association in connection with the approval of the lease, sale, or other transfer of a parcel.

3. Disciplinary, health, insurance, and personnel records of the association's employees.

4. Medical records of parcel owners or community residents.

(d) The association is not required to give a prospective purchaser or lienholder information about the subdivision or the association other than that required to be disclosed under this chapter. It may charge the prospective purchaser, lienholder, or current parcel owner or member a reasonable fee not to exceed \$150 to provide such information, other than information required by law, plus the reasonable cost of photocopying and attorney's fees incurred by the association in connection with the response.

(e) An association is not liable for providing such information in good faith pursuant to a written request if the person providing the information includes a written statement in substantially the following form: "The responses herein are made in good faith and to the best of my ability as to their accuracy."

(7) FINANCIAL REPORTING.--The association shall prepare an annual financial report by a date specified in the bylaws or within 90 60 days after the close of the fiscal year. The association shall, within 21 days after the report is prepared but not later than 120 days after the end of the fiscal year ~~the time limits set forth in subsection (5),~~ provide each member

HB 957

2006

with a copy of the annual financial report or a written notice that a copy of the financial report is available upon request at no charge to the member. Financial reports shall be prepared as follows:

(a) An association that meets the criteria of this paragraph shall prepare or cause to be prepared a complete set of financial statements in accordance with generally accepted accounting principles. The financial statements shall be based upon the association's total annual revenues, as follows:

1. An association with total annual revenues of \$100,000 or more, but less than \$200,000, shall prepare compiled financial statements.

2. An association with total annual revenues of at least \$200,000, but less than \$400,000, shall prepare reviewed financial statements.

3. An association with total annual revenues of \$400,000 or more shall prepare audited financial statements.

(b)1. An association with total annual revenues of less than \$100,000 shall prepare a report of cash receipts and expenditures.

2. An association in a community of fewer than 50 parcels, regardless of the association's annual revenues, may prepare a report of cash receipts and expenditures in lieu of financial statements required by paragraph (a) unless the governing documents provide otherwise.

3. A report of cash receipts and disbursement must disclose the amount of receipts by accounts and receipt classifications and the amount of expenses by accounts and

HB 957

2006

309 expense classifications, including, but not limited to, the
310 following, as applicable: costs for security, professional, and
311 management fees and expenses; taxes; costs for recreation
312 facilities; expenses for refuse collection and utility services;
313 expenses for lawn care; costs for building maintenance and
314 repair; insurance costs; administration and salary expenses; and
315 reserves if maintained by the association.

316 (c) If 20 percent of the parcel owners petition the board
317 for a level of financial reporting higher than that required by
318 this section, the association shall duly notice and hold a
319 meeting of members within 30 days of receipt of the petition for
320 the purpose of voting on raising the level of reporting for that
321 fiscal year. Upon approval of a majority of the total voting
322 interests of the parcel owners, the association shall prepare or
323 cause to be prepared, shall amend the budget or adopt a special
324 assessment to pay for the financial report regardless of any
325 provision to the contrary in the governing documents, and shall
326 provide within 90 days of the meeting or the end of the fiscal
327 year, whichever occurs later:

328 1. Compiled, reviewed, or audited financial statements, if
329 the association is otherwise required to prepare a report of
330 cash receipts and expenditures;

331 2. Reviewed or audited financial statements, if the
332 association is otherwise required to prepare compiled financial
333 statements; or

334 3. Audited financial statements if the association is
335 otherwise required to prepare reviewed financial statements.

336 (d) If approved by a majority of the voting interests

HB 957

2006

present at a properly called meeting of the association, an association may prepare or cause to be prepared:

1. A report of cash receipts and expenditures in lieu of a compiled, reviewed, or audited financial statement;

2. A report of cash receipts and expenditures or a compiled financial statement in lieu of a reviewed or audited financial statement; or

3. A report of cash receipts and expenditures, a compiled financial statement, or a reviewed financial statement in lieu of an audited financial statement.

Section 5. Subsection (2) of section 720.305, Florida Statutes, is amended to read:

720.305 Obligations of members; remedies at law or in equity; levy of fines and suspension of use rights; failure to fill sufficient number of vacancies on board of directors to constitute a quorum; appointment of receiver upon petition of any member.--

(2) If the governing documents so provide, an association may suspend, for a reasonable period of time, the rights of a member or a member's tenants, guests, or invitees, or both, to use common areas and facilities and may levy reasonable fines, not to exceed \$100 per violation, against any member or any tenant, guest, or invitee. A fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing, except that no such fine shall exceed \$1,000 in the aggregate unless otherwise provided in the governing documents. A fine shall not become a lien against a parcel unless it is levied for a violation of governing

HB 957

2006

documents that have been recorded in the public records of the county where the property is located. In any action to recover a fine, the prevailing party is entitled to collect its reasonable attorney's fees and costs from the nonprevailing party as determined by the court.

(a) A fine or suspension may not be imposed without notice of at least 14 days to the person sought to be fined or suspended and an opportunity for a hearing before a committee of at least three members appointed by the board who are not officers, directors, or employees of the association, or the spouse, parent, child, brother, or sister of an officer, director, or employee. If the committee, by majority vote, does not approve a proposed fine or suspension, it may not be imposed.

(b) The requirements of this subsection do not apply to the imposition of suspensions or fines upon any member because of the failure of the member to pay assessments or other charges when due if such action is authorized by the governing documents.

(c) Suspension of common-area-use rights shall not impair the right of an owner or tenant of a parcel to have vehicular and pedestrian ingress to and egress from the parcel, including, but not limited to, the right to park.

Section 6. Subsections (1) and (6) of section 720.306, Florida Statutes, are amended to read:

720.306 Meetings of members; voting and election procedures; amendments.--

(1) QUORUM; AMENDMENTS.--

HB 957

2006

393 (a) Unless a lower number is provided in the bylaws, the
394 percentage of voting interests required to constitute a quorum
395 at a meeting of the members shall be 30 percent of the total
396 voting interests. Unless otherwise provided in this chapter or
397 in the articles of incorporation or bylaws, decisions that
398 require a vote of the members must be made by the concurrence of
399 at least a majority of the voting interests present, in person
400 or by proxy, at a meeting at which a quorum has been attained.

401 (b) Unless otherwise provided in the governing documents
402 or required by law, and other than those matters set forth in
403 paragraph (c), any governing document of an association may be
404 amended by the affirmative vote of two-thirds of the voting
405 interests of the association.

406 (c) Unless otherwise provided in the governing documents
407 as originally recorded or permitted by this chapter or chapter
408 617, an amendment may not materially and adversely alter the
409 proportionate voting interest appurtenant to a parcel or
410 increase the proportion or percentage by which a parcel shares
411 in the common expenses of the association unless the record
412 parcel owner and all record owners of liens on the parcels join
413 in the execution of the amendment. For purposes of this section,
414 a change in quorum requirements is not an alteration of voting
415 interests. The merger or consolidation of associations under a
416 plan of merger or consolidation pursuant to chapter 607 or
417 chapter 617 is not a material or adverse alteration of the
418 proportionate voting interest appurtenant to a parcel.

419 (6) RIGHT TO SPEAK.--Members and parcel owners have the
420 right to attend all membership meetings and to speak at any

HB 957

2006

421 meeting with reference to all items ~~opened for discussion or~~
 422 included on the agenda. Notwithstanding any provision to the
 423 contrary in the governing documents or any rules adopted by the
 424 board or by the membership, a member and a parcel owner have the
 425 right to speak for at least 3 minutes on any agenda item, if
 426 ~~provided that~~ the member or parcel owner submits a written
 427 request to speak prior to the meeting. The association may adopt
 428 written reasonable rules governing the frequency, duration, and
 429 other manner of member and parcel owner statements, which rules
 430 must be consistent with this subsection.

431 Section 7. Subsection (3) is added to section 720.402,
 432 Florida Statutes, to read:

433 720.402 Publication of false and misleading information.--

434 (3) This section does not limit any rights provided by
 435 common law.

436 Section 8. Subsection (4) of section 720.405, Florida
 437 Statutes, is amended to read:

438 720.405 Organizing committee; parcel owner approval.--

439 (4) The proposed revived declaration and other governing
 440 documents for the community shall:

441 (a) Provide that the voting interest of each parcel owner
 442 shall be the same as the voting interest of the parcel owner
 443 under the previous governing documents;

444 (b) Provide that the proportional-assessment obligations
 445 of each parcel owner shall be the same as proportional-
 446 assessment obligations of the parcel owner under the previous
 447 governing documents;

448 (c) Contain the same respective amendment provisions as

HB 957

2006

the previous governing documents or, if there were no amendment provisions in the previous governing document, amendment provisions that require approval of not less than two-thirds of the affected parcel owners; and

~~(d) Contain no covenants that are more restrictive on the affected parcel owners than the covenants contained in the previous governing documents, except as permitted under s. 720.404(3); and~~

(d) ~~(e)~~ Comply with the other requirements for a declaration of covenants and other governing documents as specified in this chapter.

Section 9. Section 720.311, Florida Statutes, is repealed.

Section 10. Subsection (1) of section 34.01, Florida Statutes, is amended to read:

34.01 Jurisdiction of county court.--

(1) County courts shall have original jurisdiction:

(a) In all misdemeanor cases not cognizable by the circuit courts;

(b) Of all violations of municipal and county ordinances;

(c) Of all actions at law in which the matter in controversy does not exceed the sum of \$15,000, exclusive of interest, costs, and attorney's fees, except those within the exclusive jurisdiction of the circuit courts; and

(d) Of disputes occurring in the homeowners' associations as described in s. 720.311(2)(a), Florida Statutes 2005, which shall be concurrent with jurisdiction of the circuit courts.

Section 11. This act shall take effect July 1, 2006.

SUMMARY ANALYSIS

This bill makes a number of changes to the statutes addressing real estate brokers, sales associates and schools. Some of the significant changes are below.

- The bill provides licensure of a real estate broker or sale associate as a professional limited liability company.
- The bill increases the time limit for certification of an applicant from one to two years.
- The bill creates grounds for broker discipline while limiting the time period for the filing of an administrative complaint against a sales associate.
- The bill requires the Department of Business and Professional Regulation to notify a licensee's broker or employer in writing when a formal complaint has been filed.
- The bill removes the "Important Notice" header and warning language about disclosure of confidential information in the required agency disclosure forms.
- The bill repeals the prohibition against charging advance fees for listing real property, except for timeshares, and removes criminal penalties for failure to follow advance fee procedures.

The bill modifies commercial real estate sales and leasing commission liens. The significant changes include: defining "Owner's Net Proceeds;" providing that generally a commission notice expires one year after recording; and providing that leases mentioned in a notice of commercial lien are not a recorded conveyance under the relevant provisions of the marketable record title act.

This bill does not appear to have a fiscal impact on state or local governments.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Provide limited government -- The bill eliminates the restrictions on advance fees or commissions, and eliminates the corresponding misdemeanor offense.

Personal responsibility -- The bill increases the administrative fine that may be imposed on practitioners from \$1,000 to \$5,000.

Safeguard individual liberty -- This bill eliminates restrictions on advance fees.

B. EFFECT OF PROPOSED CHANGES:

Real Estate Brokers, Sales Associates, and Schools

The general regulation of real estate brokers and salespersons is established under part I of ch. 475, F.S. The Florida Real Estate Commission¹ ("commission") under the Division of Real Estate of the Florida Department of Business and Professional Regulation ("DBPR") administers this program. Regulation is designed to assure the minimal competency of real estate practitioners in order to protect the public from financial harm.

Section 1

Current Law

Several real estate terms are used in chapter 475, F.S., including the following:

- "Broker" is defined as a person who for compensation buys, sells, or leases real property or negotiates the transaction for others. The definition includes a general partner, officer, or director of a partnership or corporation which acts as a broker.
- "Broker associate" means "a person who is qualified to be issued a license as a broker but who operates as a sales associate in the employ of another."
- "Sales associate" means "a person who performs any act specified in the definition of "broker," but who performs such act under the direction, control, or management of another person."
- A broker associate or sales associate may be organized and licensed to operate as a "professional corporation" or a "limited liability company."
- Partnerships, limited liability partnerships, limited liability companies, and corporations that act as a broker must register with the commission. Pursuant to s. 475.15, F.S., the commission requires every partnership to be registered and at least one of its partners to be licensed or registered as an active broker.

¹ "The Florida Real Estate Commission (FREC) consists of seven members and meets monthly in Orlando. The commission meeting is usually the third Wednesday of the month. The FREC administers and enforces the real estate license law, Chapter 475, Part I, Florida Statutes. The Commission is also empowered to pass rules that enable it to implement its statutorily authorized duties and responsibilities." Florida Real Estate Commission (last visited Mar. 20, 2006) <http://www.myflorida.com/dbpr/re/frec_welcome.shtml>.

Effect of Bill

The bill authorizes a professional limited liability company to be licensed as a broker or sales associate.

Section 2

Current Law

Applicants for licensure must meet character and educational requirements, submit to a background check, and pass an examination. The commission is authorized to require satisfactory completion of one or more approved educational courses before a person may become licensed.

When the commission certifies that a person qualifies to take the licensure examination, the applicant has 1 year to take the examination. If the exam is not taken within that 1 year the licensure expires and a new application process must be completed and approved by the commission.

Effect of Bill

The bill specifies that the application for licensure expires in 2 years if the applicant fails to pass the examination, and the applicant's successful course completion is rendered invalid.

Section 3

Current Law

Section 475.182, F.S., requires the DBPR to adopt rules establishing a renewal of licenses procedure at least every 4 years. The Florida Administrative Code requires that a licensee to biennially renew a license upon application and payment of the renewal fee by the practitioner.² The renewal application must include proof that the licensee has, since the issuance or renewal of the license, satisfactorily completed at least 14 classroom hours of continuing education during each license period. Failure to renew before the expiration of the term of the license causes the licensee to be in involuntary inactive status. Any license which has been involuntarily inactive for more than 2 years automatically expires.

The bill

The bill authorizes a licensee to reactivate a license that has been involuntarily inactive for 12 months or less by completing at least 14 hours of continuing education. A licensee may reactivate a license that has been involuntarily inactive for more than 12 months but fewer than 24 months by completing 28 hours of education courses.

Section 4

Current Law

Section 475.25, F.S. prescribes disciplinary guidelines for violations of the provisions of part I of ch. 475.

Effect of Bill

The bill increases the administrative fine that may be imposed on practitioners from \$1,000 to \$5,000. The bill creates additional violations if a broker fails to reasonably manage or supervise any broker or sales associate whose license is affiliated with that broker or if a broker has failed to review the brokerage's trust accounting practices. When a formal complaint is filed against a licensee, the bill requires the DBPR or the commission to notify a licensee's broker or employer.

Section 5

Current Law

The term "agency" describes the legal relationship between two persons when one person, known as the agent, acts on behalf of, or represents, the other person. The term "real estate agency law" (or "agency law") refers to laws regulating the legal relationship between real estate licensees and buyers and sellers of real estate.

A "transaction broker" is a broker who facilitates a brokerage transaction between a buyer and a seller. The transaction broker does not affirmatively represent either the buyer or seller as an agent. A "single agent" is a broker who represents either the buyer or seller but not both in the same transaction.

A real estate licensee may enter into a brokerage relationship as either a transaction broker or as a single agent with potential buyers and sellers. Florida is a "presumption of transaction brokerage" state; s. 475.278(1)(b), F.S. specifies "[i]t shall be presumed that all licensees are operating as transaction brokers unless a single agent or no brokerage relationship is established, in writing, with a customer."

Effect of Bill

The bill deletes language in the disclosure requirements for a transaction broker, single agent, and where there is no brokerage relationship. Also removed is the disclosure that the buyer or seller should not assume that a licensee represents them.

Section 6

Amends s. 475.42, F.S., to correct a cross-reference to conform to changes made by the bill.

Section 7

Current Law

Each person, school, or institution, except approved and accredited colleges, universities, community colleges, and career centers in this state, conducting or teaching any course of study in real estate practice for licensure as a broker or sales associate, or teaches any course designed or represented to enable or assist applicants for licensure to pass examinations is required to obtain a permit from the DBPR.³ An applicant for a permit to operate a proprietary real estate school, to be a chief administrator of a such a school, or to be an instructor at such a school, must meet statutory qualifications for practice set forth in s. 475.17(1), F.S.

Effect of Bill

The bill requires each person, school, or institution to keep registration records, course rosters, attendance records, a file copy of each examination and progress test, and all student answer sheets for a period of at least 3 years. A copy of the classroom course roster of courses that require satisfactory completion of an examination is required to be delivered to the DBPR within 30 days after the course was completed.

Section 8

Current Law

³ The exemption for colleges, universities, community colleges, and career centers is limited to transferable college credit courses offered by such institutions.

Each broker or sales associate who attempts to negotiate a rental, or who furnishes rental information to a prospective tenant for a fee must provide the prospective tenant with a contract or receipt. The contract or receipt must conform to guidelines so disclosure of material information is effectively disclosed to a prospective tenant.

Effect of Bill

The bill limits the disclosure documents only to brokers or sales associates who provide a rental information "list" to a prospective tenant.

Commercial Real Estate Sales Commission Lien Act

Part III of ch. 475, F.S., is the Commercial Real Estate Sales Commission Lien Act enacted in 2005. The Act addresses various aspects of a broker's lien for a sales commission and describes a closing agent's obligations. The Act provides a sales broker with the power to place a lien on an owner's proceeds from a commercial real estate transaction when there is a dispute over the broker's commission. The proceeds are placed in the registry of the court until the dispute is resolved, but the closing may proceed and the buyer may take clean title to the commercial property.

Section 9

Current Law

Section 475.701, F.S. specifies that the closing agent does not subtract the amount secured by a mortgage or lien that the buyer agrees to remain on the property. However, the buyer will receive credit against the purchase price for the amount of that lien thus reducing the amount to be paid to close. If the closing agent does not also subtract the continuing lien, then the closing agent may be reserving against net proceeds that are not a part of the transaction.

Effect of Bill

The bill provides that, when calculating the owner's net proceeds that are subject to a lien, the closing agent must subtract the amount of all prior liens, not just the ones that are paid off at closing. Also see Section 14.

Section 10

Current Law

Section 475.707, F.S. provides that when there is a dispute over the broker's commission the proceeds are placed in the registry of the court until the dispute is resolved, but the closing may proceed and the buyer may take clean title to the commercial property. A commission notice recorded under this part expires 1 year after the date of recording, unless the brokerage agreement remains effective after the expiration date of the commission notice and the broker records an extension notice.

Effect of Bill

The bill specifies that a commission notice will not expire in 1 year if the owner remains obligated to pay a commission to the broker and deletes reference to the term of the brokerage agreement.

Section 11

Current Law

Current law provides conditions that must be met by the closing agent prior to the release of reserved funds to the broker

Effect of Bill

The bill amends s. 475.709, F.S. to provide that all of the conditions specified in each of the sections must be met by the closing agent to release the reserved funds to the broker

Section 12

Current Law

The law provides that a closing agent may initiate legal action to determine the rights of the parties to disputed funds if the owner disputes the release of the reserved proceeds, if the owner and broker have not agreed in writing within 5 days, and if neither the owner nor the broker have initiated a civil action.

Effect of Bill

The bill amends s. 475.711, F.S. to provide that all of the conditions specified must be met in before an action seeking adjudication of the rights of the parties to the disputed funds may be filed.

Section 13

Current Law

In civil actions involving commissions, the non-prevailing party is required to pay the costs and reasonable attorney's fees incurred in the action by the prevailing party.⁴ However if a court determines that neither the owner nor the broker is the prevailing party, the costs and attorney's fees of the prevailing party and the closing agent will be divided equally between and paid by the owner and broker.⁵

Effect of Bill

The bill amends s.475.713, F.S., to revise the award of costs and attorney's fees in civil actions over a commission. Specifically, the bill provides that if a court determines that neither the owner nor the broker is the prevailing party, the costs and attorney's fees of the closing agent and the amount of any costs, recording charges, and service charges of the court of court that were deducted from the disputed reserve proceeds will be divided equally between and paid by the owner and broker.

Section 14

Effect of Bill

Amends s.475.715, F.S., to provide, when calculating the owner's net proceeds that are subject to a lien, the closing agent must subtract the amount of all prior liens, not just the ones that are paid off at closing. Also see section 9, above.

⁴ Section 475.713(5)(a), F.S.

⁵ Section 475.713(5)(b), F.S.

Commercial Real Estate Leasing Commission Lien Act

Part IV of ch. 475, F.S. is the "Commercial Real Estate Leasing Commission Lien Act," and provides a broker in a lease transaction with the power to place a lien on an owner's interest in commercial real estate for any commission earned by a broker under a brokerage agreement. The lien is on the commercial real estate itself. The Act provides legal procedures and requirements for filing a lawsuit to enforce a lien, resolve payment of commission owed, and release parties from liens. These provisions were enacted in 2005.

Section 15

Effect of Bill

Amends s.475.719, F.S., to delete a duplicative reference.

Section 16

Current Law

A lien notice recorded under this part expires 10 years after the date of recording, unless the brokerage agreement remains effective after the expiration date of the commission notice and the broker records an extension notice.

Effect of Bill

The bill specifies that an owner remains obligated to pay a commission to the broker and deletes reference to the term of the brokerage agreement. Moreover, the bill specifies that neither the recording of a broker's lien notice or an extension nor the recording of any lis pendens⁶ to foreclose a broker's lien constitutes notice to a creditor or subsequent purchaser of the existence of the lease.

Section 17

Effect of Bill

Amends s. 721.20, F.S., to correct a reference.

Advance Fees

Section 18

Current Law

Section 475.452, F.S. provides the procedures for advance fees collected by a broker in all situations. The commission is authorized to adopt rules to regulate the method of accounting to be complied with by brokers. The requirements of the section do not apply to real estate brokers who have entered into a written agreement providing how anticipated expenses are to be incurred and paid. The section also provides that anyone who violates the provisions is guilty of a misdemeanor of the first degree.

⁶ Lis pendens is defined as "[a] notice, recorded in the chain of title to real property, required or permitted in some jurisdictions to warn all persons that certain property is the subject matter of litigation, and that any interests acquired during the pendency of the suit are subject to its outcome." Black's Law Dictionary 943 (7th ed. 1999).

Effect of Bill

Repeals s, 475.452, F.S., relating to the advance fees, the deposit of those fees, and accounting procedures for the fees.

Section 19

Provides an effective date of July 1, 2006.

II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

None.

2. Expenditures:

None.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

None.

2. Expenditures:

None.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

The bill increases the administrative responsibilities for education providers and instructors related to the retention of education documentation. There may be a minimal effect on how certain licensees structure their business entities by allowing the licensure of a limited liability company or professional limited liability company. This would enable certain licensees to take advantage of certain tax benefits available to these business entities. The bill would also enable licensee to take advantage of certain professional protections against liability.

D. FISCAL COMMENTS:

The Florida Department of Business and Professional Regulation projects, "[i]t is not possible to estimate the increase in workload but the presumption is that any increase in workload will be minimal and can be handled within existing resources."

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

This bill does not appear to require counties or municipalities to take an action requiring the expenditure of funds, reduce the authority that counties or municipalities have to raise revenue in the aggregate, nor reduce the percentage of state tax shared with counties or municipalities.

2. Other:

None.

B. RULE-MAKING AUTHORITY:

The Department of Business and Professional Regulation notes, the bill "may require rule making by the FREC to carry out the additional duties prescribed."

HB 1009

2006

475.161 Licensing of broker associates and sales associates.--The commission shall license a broker associate or sales associate as an individual or, upon the licensee providing the commission with authorization from the Department of State, as a professional corporation, limited liability company, or professional limited liability company. A license shall be issued in the licensee's legal name only and, when appropriate, shall include the entity designation. This section shall not operate to permit a broker associate or sales associate to register or be licensed as a general partner, member, manager, officer, or director of a brokerage firm under s. 475.15.

Section 2. Subsection (2) of section 475.181, Florida Statutes, is amended to read:

The commission may refuse to certify any applicant who has violated any of the provisions of s. 475.42 or who is subject to discipline under s. 475.25. The application shall expire 2 years ~~1 year~~ after the date received if the applicant does not pass ~~fails to take~~ the appropriate examination. Additionally, if an applicant does not pass the licensing examination within 2 years after the successful course completion date, the applicant's successful course completion is ~~invalid for licensure.~~

HB 1009

2006

Section 3. Subsection (2) of section 475.183, Florida Statutes, is amended to read:

475.183 Inactive status.--

(2) (a) A licensee may reactivate a license that has been involuntarily inactive for 12 months or less by satisfactorily completing at least 14 hours of a commission-prescribed continuing education course. Notwithstanding the provisions of s. 455.271, a licensee may reactivate a license that has been involuntarily inactive for more than 12 months but fewer than 24 months by satisfactorily completing 28 hours of a commission-prescribed education course.

(b) Any license that ~~which~~ has been involuntarily inactive for more than 2 years shall automatically expire. Once a license expires, it becomes null and void without any further action by the commission or department. Ninety days prior to expiration of the license, the department shall give notice to the licensee. The commission shall prescribe by rule a fee not to exceed \$100 for the late renewal of an involuntarily inactive license. The department shall collect the current renewal fee for each renewal period in which the license was involuntarily inactive in addition to any applicable late renewal fee.

Section 4. Subsections (1) and (5) of section 475.25, Florida Statutes, are amended, subsection (6) is renumbered as subsection (7), and a new subsection (6) is added to that section, to read:

(a) Has violated any provision of s. 455.227(1) or s. 475.42. However, licensees under this part are exempt from the provisions of s. 455.227(1)(i).

(b) Has been guilty of fraud, misrepresentation, concealment, false promises, false pretenses, dishonest dealing by trick, scheme, or device, culpable negligence, or breach of trust in any business transaction in this state or any other state, nation, or territory; has violated a duty imposed upon her or him by law or by the terms of a listing contract, written, oral, express, or implied, in a real estate transaction; has aided, assisted, or conspired with any other person engaged in any such misconduct and in furtherance thereof; or has formed an intent, design, or scheme to engage in any such misconduct and committed an overt act in furtherance of such intent, design, or scheme. It is immaterial to the guilt of the licensee that the victim or intended victim of the misconduct has sustained no damage or loss; that the damage or loss has been settled and paid after discovery of the misconduct; or that such victim or intended victim was a customer or a person in confidential relation with the licensee or was an identified member of the general public.

HB 1009

2006

(c) Has advertised property or services in a manner which is fraudulent, false, deceptive, or misleading in form or content. The commission may adopt rules defining methods of advertising that violate this paragraph.

(d)1. Has failed to account or deliver to any person, including a licensee under this chapter, at the time which has been agreed upon or is required by law or, in the absence of a fixed time, upon demand of the person entitled to such accounting and delivery, any personal property such as money, fund, deposit, check, draft, abstract of title, mortgage, conveyance, lease, or other document or thing of value, including a share of a real estate commission if a civil judgment relating to the practice of the licensee's profession has been obtained against the licensee and said judgment has not been satisfied in accordance with the terms of the judgment within a reasonable time, or any secret or illegal profit, or any divisible share or portion thereof, which has come into the licensee's hands and which is not the licensee's property or which the licensee is not in law or equity entitled to retain under the circumstances. However, if the licensee, in good faith, entertains doubt as to what person is entitled to the accounting and delivery of the escrowed property, or if conflicting demands have been made upon the licensee for the escrowed property, which property she or he still maintains in her or his escrow or trust account, the licensee shall promptly notify the commission of such doubts or conflicting demands and shall promptly:

HB 1009

2006

166 a. Request that the commission issue an escrow
167 disbursement order determining who is entitled to the escrowed
168 property;
169 b. With the consent of all parties, submit the matter to
170 arbitration;
171 c. By interpleader or otherwise, seek adjudication of the
172 matter by a court; or
173 d. With the written consent of all parties, submit the
174 matter to mediation. The department may conduct mediation or may
175 contract with public or private entities for mediation services.
176 However, the mediation process must be successfully completed
177 within 90 days following the last demand or the licensee shall
178 promptly employ one of the other escape procedures contained in
179 this section. Payment for mediation will be as agreed to in
180 writing by the parties. The department may adopt rules to
181 implement this section.
182
183 If the licensee promptly employs one of the escape procedures
184 contained herein and abides by the order or judgment resulting
185 therefrom, no administrative complaint may be filed against the
186 licensee for failure to account for, deliver, or maintain the
187 escrowed property. Under certain circumstances, which the
188 commission shall set forth by rule, a licensee may disburse
189 property from the licensee's escrow account without notifying
190 the commission or employing one of the procedures listed in sub-
191 subparagraphs a.-d. If the buyer of a residential condominium
192 unit delivers to a licensee written notice of the buyer's intent
193 to cancel the contract for sale and purchase, as authorized by

HB 1009

2006

s. 718.503, or if the buyer of real property in good faith fails to satisfy the terms in the financing clause of a contract for sale and purchase, the licensee may return the escrowed property to the purchaser without notifying the commission or initiating any of the procedures listed in sub-subparagraphs a.-d.

2. Has failed to deposit money in an escrow account when the licensee is the purchaser of real estate under a contract where the contract requires the purchaser to place deposit money in an escrow account to be applied to the purchase price if the sale is consummated.

(e) Has violated any of the provisions of this chapter or any lawful order or rule made or issued under the provisions of this chapter or chapter 455.

(f) Has been convicted or found guilty of, or entered a plea of nolo contendere to, regardless of adjudication, a crime in any jurisdiction which directly relates to the activities of a licensed broker or sales associate, or involves moral turpitude or fraudulent or dishonest dealing. The record of a conviction certified or authenticated in such form as to be admissible in evidence under the laws of the state shall be admissible as prima facie evidence of such guilt.

(g) Has had a broker's or sales associate's license revoked, suspended, or otherwise acted against, or has had an application for such licensure denied, by the real estate licensing agency of another state, territory, or country.

(h) Has shared a commission with, or paid a fee or other compensation to, a person not properly licensed as a broker, broker associate, or sales associate under the laws of this

HB 1009

2006

222 state, for the referral of real estate business, clients,
 223 prospects, or customers, or for any one or more of the services
 224 set forth in s. 475.01(1)(a). For the purposes of this section,
 225 it is immaterial that the person to whom such payment or
 226 compensation is given made the referral or performed the service
 227 from within this state or elsewhere; however, a licensed broker
 228 of this state may pay a referral fee or share a real estate
 229 brokerage commission with a broker licensed or registered under
 230 the laws of a foreign state so long as the foreign broker does
 231 not violate any law of this state.

232 (i) Has become temporarily incapacitated from acting as a
 233 broker or sales associate with safety to investors or those in a
 234 fiduciary relation with her or him because of drunkenness, use
 235 of drugs, or temporary mental derangement; but suspension of a
 236 license in such a case shall be only for the period of such
 237 incapacity.

238 (j) Has rendered an opinion that the title to any property
 239 sold is good or merchantable, except when correctly based upon a
 240 current opinion of a licensed attorney at law, or has failed to
 241 advise a prospective purchaser to consult her or his attorney on
 242 the merchantability of the title or to obtain title insurance.

243 (k) Has failed, if a broker, to immediately place, upon
 244 receipt, any money, fund, deposit, check, or draft entrusted to
 245 her or him by any person dealing with her or him as a broker in
 246 escrow with a title company, banking institution, credit union,
 247 or savings and loan association located and doing business in
 248 this state, or to deposit such funds in a trust or escrow
 249 account maintained by her or him with some bank, credit union,

HB 1009

2006

250 or savings and loan association located and doing business in
251 this state, wherein the funds shall be kept until disbursement
252 thereof is properly authorized; or has failed, if a sales
253 associate, to immediately place with her or his registered
254 employer any money, fund, deposit, check, or draft entrusted to
255 her or him by any person dealing with her or him as agent of the
256 registered employer. The commission shall establish rules to
257 provide for records to be maintained by the broker and the
258 manner in which such deposits shall be made. A broker may place
259 and maintain up to \$5,000 of personal or brokerage funds in the
260 broker's property management escrow account and up to \$1,000 of
261 personal or brokerage funds in the broker's sales escrow
262 account. A broker shall be provided a reasonable amount of time
263 to correct escrow errors if there is no shortage of funds and
264 such errors pose no significant threat to economically harm the
265 public. It is the intent of the Legislature that, in the event
266 of legal proceedings concerning a broker's escrow account, the
267 disbursement of escrowed funds not be delayed due to any dispute
268 over the personal or brokerage funds that may be present in the
269 escrow account.

270 (1) Has made or filed a report or record which the
271 licensee knows to be false, has willfully failed to file a
272 report or record required by state or federal law, has willfully
273 impeded or obstructed such filing, or has induced another person
274 to impede or obstruct such filing; but such reports or records
275 shall include only those which are signed in the capacity of a
276 licensed broker or sales associate.

277 (m) Has obtained a license by means of fraud,
278 misrepresentation, or concealment.

279 (n) Is confined in any county jail, postadjudication; is
280 confined in any state or federal prison or mental institution;
281 is under home confinement ordered in lieu of institutional
282 confinement; or, through mental disease or deterioration, can no
283 longer safely be entrusted to competently deal with the public.

284 (o) Has been found guilty, for a second time, of any
285 misconduct that warrants her or his suspension or has been found
286 guilty of a course of conduct or practices which show that she
287 or he is so incompetent, negligent, dishonest, or untruthful
288 that the money, property, transactions, and rights of investors,
289 or those with whom she or he may sustain a confidential
290 relation, may not safely be entrusted to her or him.

291 (p) Has failed to inform the commission in writing within
292 30 days after pleading guilty or nolo contendere to, or being
293 convicted or found guilty of, any felony.

294 (q) Has violated any provision of s. 475.2755 or s.
295 475.278, including the duties owed under those sections.

296 (r) Has failed in any written listing agreement to include
297 a definite expiration date, description of the property, price
298 and terms, fee or commission, and a proper signature of the
299 principal(s); and has failed to give the principal(s) a legible,
300 signed, true and correct copy of the listing agreement within 24
301 hours of obtaining the written listing agreement. The written
302 listing agreement shall contain no provision requiring the
303 person signing the listing to notify the broker of the intention
304 to cancel the listing after such definite expiration date.

305 (s) Has had a registration suspended, revoked, or
306 otherwise acted against in any jurisdiction. The record of the
307 disciplinary action certified or authenticated in such form as
308 to be admissible in evidence under the laws of the state shall
309 be admissible as prima facie evidence of such disciplinary
310 action.

311 (t) Has violated any standard for the development or
312 communication of a real estate appraisal or other provision of
313 the Uniform Standards of Professional Appraisal Practice, as
314 defined in s. 475.611, as approved and adopted by the Appraisal
315 Standards Board of the Appraisal Foundation, as defined in s.
316 475.611. This paragraph does not apply to a real estate broker
317 or sales associate who, in the ordinary course of business,
318 performs a comparative market analysis, gives a broker price
319 opinion, or gives an opinion of value of real estate. However,
320 in no event may this comparative market analysis, broker price
321 opinion, or opinion of value of real estate be referred to as an
322 appraisal, as defined in s. 475.611.

323 (u) Has failed, if a broker, to reasonably manage or
324 supervise any broker associate or sales associate whose license
325 is affiliated with such broker.

326 (v) Has failed, if a broker, to review the brokerage's
327 trust accounting practices in order to ensure compliance with
328 this chapter.

329 (5) An administrative complaint against a broker, ~~or~~
330 broker associate, or sales associate shall ~~must~~ be filed within
331 5 years after the time of the act giving rise to the complaint

HB 1009

2006

or within 5 years after the time the act is discovered or should have been discovered with the exercise of due diligence.

(6) The department shall promptly notify a licensee's broker or employer, as defined in this part, in writing any time the department files a formal complaint against a licensee. The notice required in this subsection shall be provided by the commission in those instances where the commission files a formal complaint against a licensee.

~~(7)~~(6) The commission shall promptly report to the proper prosecuting authority any criminal violation of any statute relating to the practice of a real estate profession regulated by the commission.

Section 5. Paragraph (c) of subsection (2), paragraph (c) of subsection (3), and paragraph (c) of subsection (4) of section 475.278, Florida Statutes, are amended to read:

475.278 Authorized brokerage relationships; presumption of transaction brokerage; required disclosures.--

(2) TRANSACTION BROKER RELATIONSHIP.--

(c) Contents of disclosure.--The required notice given under paragraph (b) must include the following information in the following form:

~~IMPORTANT NOTICE~~

~~FLORIDA LAW REQUIRES THAT REAL ESTATE LICENSEES PROVIDE THIS NOTICE TO POTENTIAL SELLERS AND BUYERS OF REAL ESTATE.~~

HB 1009

2006

~~You should not assume that any real estate broker or sales
associate represents you unless you agree to engage a real
estate licensee in an authorized brokerage relationship, either
as a single agent or as a transaction broker. You are advised
not to disclose any information you want to be held in
confidence until you make a decision on representation.~~

TRANSACTION BROKER NOTICE

~~FLORIDA LAW REQUIRES THAT REAL ESTATE LICENSEES OPERATING AS
TRANSACTION BROKERS DISCLOSE TO BUYERS AND SELLERS THEIR ROLE
AND DUTIES IN PROVIDING A LIMITED FORM OF REPRESENTATION.~~

As a transaction broker, (insert name of Real Estate Firm and
its Associates) , provides to you a limited form of
representation that includes the following duties:

1. Dealing honestly and fairly;
2. Accounting for all funds;
3. Using skill, care, and diligence in the transaction;
4. Disclosing all known facts that materially affect the
value of residential real property and are not readily
observable to the buyer;
5. Presenting all offers and counteroffers in a timely
manner, unless a party has previously directed the licensee
otherwise in writing;
6. Limited confidentiality, unless waived in writing by a
party. This limited confidentiality will prevent disclosure that
the seller will accept a price less than the asking or listed

HB 1009

2006

387 price, that the buyer will pay a price greater than the price
388 submitted in a written offer, of the motivation of any party for
389 selling or buying property, that a seller or buyer will agree to
390 financing terms other than those offered, or of any other
391 information requested by a party to remain confidential; and

392 7. Any additional duties that are entered into by this or
393 by separate written agreement.

394

395 Limited representation means that a buyer or seller is not
396 responsible for the acts of the licensee. Additionally, parties
397 are giving up their rights to the undivided loyalty of the
398 licensee. This aspect of limited representation allows a
399 licensee to facilitate a real estate transaction by assisting
400 both the buyer and the seller, but a licensee will not work to
401 represent one party to the detriment of the other party when
402 acting as a transaction broker to both parties.

SUMMARY ANALYSIS

A manufacturer, distributor, or importer of motor vehicles must have a license in order to conduct business in Florida. Manufacturers, distributors, and importers enter into contractual agreements with franchised motor vehicle dealers to sell particular vehicles which they manufacture, distribute, or import. A franchised motor vehicle dealer is any person who engages in the business of repairing, servicing, buying, selling, or dealing in motor vehicles pursuant to an agreement between a manufacturer, distributor, or importer, and a franchised motor vehicle dealer:

This bill provides that a franchised motor vehicle dealer that has been licensed continuously for 2 years and is in good standing with the Department of Highway Safety and Motor Vehicles is exempt from the pre-licensing training requirement when seeking a new franchised motor vehicle dealer license.

This bill revises the following provisions pertaining to the contractual relationship between a "licensee" (manufacturers, distributors, or importers) and a franchised motor vehicle dealer:

- Requires a licensee to repurchase certain inventory and business-related equipment from franchised motor vehicle dealers whose franchises have been terminated, and provides for sanctions if these provisions are not followed.
- Specifies new requirements for a licensed manufacturer to open or reopen a dealership without being subject to protest by motor vehicle dealers.
- Limits a licensed manufacturer's ability to prohibit a franchised dealer from selling his or her dealership to a new owner who plans to relocate it, if certain requirements are followed.
- Revises the definition of "demonstrator" vehicle.
- Provides for the measurement of geographic boundaries.

This bill does not appear to have a fiscal impact on state or local governments.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Provide limited government -- This bill creates additional requirements and obligations for automobile manufacturers regarding aspects of their agreements with franchised motor vehicle dealers in Florida.

B. EFFECT OF PROPOSED CHANGES:

Present Situation

Chapter 320, F.S., provides for the licensing of automobile dealers and automobile manufacturers and regulates the franchise relationship between franchised dealers and the manufacturers. Section 320.605, F.S., states:

It is the intent of the Legislature to protect the public health, safety, and welfare of citizens of the state by regulating the licensing of motor vehicle dealers and manufacturers, maintaining competition, providing consumer protection and fair trade and providing minorities with opportunities for full participation as motor vehicle dealers.

Section 320.27, F.S. defines a "franchised motor vehicle dealer" as "any person engaged in the business of buying, selling, or dealing in motor vehicles or offering or displaying motor vehicles for sale at wholesale or retail, or who may service and repair motor vehicles pursuant to an agreement as defined in s. 320.60(1)." Section 320.27(4), F.S., provides the requirements that must be met in order for a franchised motor vehicle dealer to receive a license certificate, which must be renewed every 2 years.

Section 320.642, F.S., provides that a dealer who seeks to establish another motor vehicle dealership or relocate a dealership to a location within a community where the same line-make vehicle is presently represented must give written notice by certified mail to the Department of Highway Safety and Motor Vehicles (DHSMV).

Manufacturers, distributors, and importers enter into contractual agreements with franchised motor vehicle dealers to sell particular vehicles which they manufacture, distribute, or import. The requirements regulating the business relationship between franchised motor vehicle dealers and automobile manufacturers, distributors, and importers are primarily in ss. 320.60 -320.071, F.S. These sections of law specify:

- The conditions and situations under which the DHSMV may deny, suspend, or revoke a vehicle manufacturer's license;
- The process, timing, and notice requirements for licensed manufacturers wanting to discontinue, cancel, modify, or otherwise replace a franchise agreement with a dealer, and the conditions under which the DHSMV may deny such a change;
- The procedures a licensed manufacturer must follow if it wants to add a dealership in an area already served by a franchised dealer, the protest process, and the DHSMV's role in these circumstances;
- The circumstances under which a licensed manufacturer, distributor, or importer may temporarily operate as a licensed vehicle dealer;
- Amounts of damages and fines that can be assessed against licensed manufacturers in violation of statutes;
- The ability of licensed vehicle dealers to seek administrative hearings; and
- DHSMV's authority to promulgate rules to implement these sections of law.

Effect of Bill

This bill amends s. 320.27(4), F.S., to provide that a franchised motor vehicle dealer that has been licensed continuously for 2 years and is in good standing with the Department of Highway Safety and Motor Vehicles is exempt from the pre-licensing training requirement when seeking a new franchise motor vehicle dealer license.

This bill amends s. 320.60(3), F.S., to clarify the existing definition of "demonstrator" by specifying that new vehicles which have been "driven" by prospective customers qualify as demonstrators.

This bill amends s. 320.64, F.S., to create a new cause for a licensee to have its license denied, suspended, or revoked by DHSMV. A licensee can have its license denied, suspended, or revoked by DHSMV for failing to repurchase, within a specific time frame, certain vehicles and other property from a dealer upon the voluntary or involuntary termination of that dealer's franchise. Specifically, licensed manufacturers would be required to:

- Buy back, at net cost, new vehicles with a mileage of 2,000 miles or less, not counting the mileage placed on the vehicle before it was delivered to the dealer;
- Repay the cost of new, unused, undamaged, and unsold parts and accessories in their original packaging and in unbroken lots, with exceptions for sheet metal;
- Pay fair market value for signs, special tools, and other equipment that meet certain conditions; and
- Pay the costs related to packing, storing, loading and shipping these items eligible for repurchase.

The dealer would have 90 days to return the property to the manufacturer, who would have 60 days upon receipt of the items to pay the dealer. These repurchase provisions do not apply in cases where the dealer's franchise is being terminated as a result of dealer selling his or her assets or stock.

This bill amends s. 320.642(1), F.S., to remove the requirement that notice must be sent to DHSMV by "certified mail".

This bill amends s. 320.642(5), F.S., to make it more difficult for a licensee to relocate an existing franchised dealership, and then open a new dealership at the old location without notice or the opportunity for other dealers to protest. The bill provides that the opening or reopening of the same or successor motor vehicle dealer within 12 months will not be considered an additional motor vehicle dealer subject to protest if:

- There is no motor vehicle dealer within 25 miles of the proposed location; or
- The opening or reopening is within 6 miles of the prior location and, if an existing dealer of the same line-make is located within 15 miles of the former location, the proposed location is not closer to an existing dealer of the same line-make "within 15 miles of the proposed location."

This bill also specifies that if the opening or reopening is not considered an additional motor vehicle dealer, then the manufacturer cannot open a new dealership for 2 years if it is within 4 miles of the old site.

This bill creates s. 320.642(7), F.S., to require that all measurements required for the purposes of determining the locations of existing and proposed new dealerships be based on the "geometric centroid." "Geometric centroid" is a mathematical term that basically means the center point of, in this case, the dealership's property.

This bill creates s. 320.642(8), F.S., to provide that DHSMV is not obligated to determine the accuracy of any distance asserted by any party in a notice submitted to it. Any dispute concerning a distance measurement must be resolved by a hearing conducted in accordance with the Administrative Procedures Act.

C. SECTION DIRECTORY:

Section 1 amends s. 320.27, F.S., to provide that under certain circumstances a motor vehicle dealer is exempt from the pre-licensing training requirement when seeking to renew a certification license.

Section 2 amends s. 320.60, F.S., to amend the definition of "demonstrator."

Section 3 amends s. 320.64, F.S., to specify the types of costs owed to a motor vehicle dealer whose contract has been terminated by a manufacturer.

Section 4 amends s. 320.642, F.S., to amend criteria determining when a proposed opening or reopening of a motor vehicle dealership is subject to protest.

Section 5 provides an effective date of July 1, 2006.

IV. AMENDMENTS/COMMITTEE SUBSTITUTE & COMBINED BILL CHANGES

At its March 14, 2006, meeting, the House Transportation Committee adopted a strike-all amendment to conform to the Senate companion. The amendment made the following revisions to the original bill:

- It amended s.320.27, F.S., to delete the requirement that applicants for new franchised dealer licenses attend training seminars if they have held an existing license continuously for the past two years and are in good standing with the DHSMV.
- It amended s.320.642, F.S., to specify that the DHSMV is not obligated to check the accuracy of the measurements in the applications, and that any dispute about distance measurements in an application shall be resolved by an administrative hearing in accordance with ss. 120.569 and 120.57, F.S.
- It deleted the proposed changes to s. 320.643, F.S., related to criteria and circumstances in which a licensed manufacturer can prohibit a franchised dealer from selling his or her dealership to a new owner who plans to relocate it.

The bill was then reported favorably with a committee substitute.

54 date, the department shall deliver or mail to each licensee the
55 necessary renewal forms. Each independent dealer shall certify
56 that the dealer principal (owner, partner, officer of the
57 corporation, or director) has completed 8 hours of continuing
58 education prior to filing the renewal forms with the department.
59 Such certification shall be filed once every 2 years commencing
60 with the 2006 renewal period. The continuing education shall
61 include at least 2 hours of legal or legislative issues, 1 hour
62 of department issues, and 5 hours of relevant motor vehicle
63 industry topics. Continuing education shall be provided by
64 dealer schools licensed under paragraph (b) either in a
65 classroom setting or by correspondence. Such schools shall
66 provide certificates of completion to the department and the
67 customer which shall be filed with the license renewal form, and
68 such schools may charge a fee for providing continuing
69 education. Any licensee who does not file his or her application
70 and fees and any other requisite documents, as required by law,
71 with the department at least 30 days prior to the license
72 expiration date shall cease to engage in business as a motor
73 vehicle dealer on the license expiration date. A renewal filed
74 with the department within 45 days after the expiration date
75 shall be accompanied by a delinquent fee of \$100. Thereafter, a
76 new application is required, accompanied by the initial license
77 fee. A license certificate duly issued by the department may be
78 modified by endorsement to show a change in the name of the
79 licensee, provided, as shown by affidavit of the licensee, the

81 the name of the person appearing as franchisee on the sales and

83 certificate to show any name change as herein provided shall not
84 require initial licensure or reissuance of dealer tags; however,
85 any dealer obtaining a name change shall transact all business
86 in and be properly identified by that name. All documents
87 relative to licensure shall reflect the new name. In the case of
88 a franchise dealer, the name change shall be approved by the
89 manufacturer, distributor, or importer. A licensee applying for
90 a name change endorsement shall pay a fee of \$25 which fee shall
91 apply to the change in the name of a main location and all
92 additional locations licensed under the provisions of subsection
93 (5). Each initial license application received by the department
94 shall be accompanied by verification that, within the preceding
95 6 months, the applicant, or one or more of his or her designated
96 employees, has attended a training and information seminar
97 conducted by a licensed motor vehicle dealer training school.
98 Any applicant for a new franchised motor vehicle dealer license
99 who has held a valid franchised motor vehicle dealer license
100 continuously for the past 2 years and who remains in good
101 standing with the department is exempt from the prelicensing
102 training requirement. Such seminar shall include, but is not
103 limited to, statutory dealer requirements, which requirements
104 include required bookkeeping and recordkeeping procedures,
105 requirements for the collection of sales and use taxes, and such
106 other information that in the opinion of the department will

The dealer shall return the property listed in this subsection to the licensee within 90 days after the effective date of the termination, cancellation, or nonrenewal. The licensee shall supply the dealer with reasonable instructions regarding the method by which the dealer must return the property. The compensation for the property shall be paid by the licensee within 60 days after the tender of inventory and other items, if the dealer has clear title to the inventory and other items and is in a position to convey that title to the manufacturer or distributor. If the inventory or other items are subject to a security interest, the licensee may make payment jointly to the dealer and the holder of the security interest.

SUMMARY ANALYSIS

This bill creates the fiduciary lawyer-client privilege. This privilege provides that when a client acts as a fiduciary any communication between the client and lawyers is privileged and protected from disclosure.

This bill does not appear to have a fiscal impact on state or local governments.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Safeguard individual liberty -- This bill serves the purpose of fostering a confidential relationship between lawyer and client that enables the lawyer to understand and accurately assess the client's situation and render frank and unvarnished advice.

B. EFFECT OF PROPOSED CHANGES:

Current Law

The Lawyer-Client Privilege¹

Florida recognizes a lawyer-client privilege applicable to confidential communications between a lawyer and client.² The lawyer-client privilege is the oldest of the privileges for confidential communications known in the common law and existed as part of the common law of Florida until its codification.³ The privilege was first codified in 1976 and remains so to this day.

A client is defined in the evidence code as "any person, public officer, corporation, association or other organization or entity, either public or private, who consults a lawyer with the purpose of obtaining legal services or who is rendered legal services by a lawyer."⁴ A person, bank, or trust company who serves as a trustee or personal representative is unquestionably a "client" as that term is defined.⁵

Fiduciary Obligations Owed to Beneficiary

A trustee is charged with a fundamental duty to administer a trust diligently for the benefit of the beneficiaries.⁶ A personal representative has a similar duty to administer an estate diligently for the benefit of the beneficiaries and creditors.⁷ A trustee has an array of duties owed to a beneficiary in addition to the duties of good faith and loyalty in administering the trust for the benefit of the beneficiaries.⁸ Because the fiduciary's efforts must be driven and circumscribed by these duties, courts have come to differing conclusions about whether the lawyer-client privilege overrides the fiduciary's duties to a beneficiary.

The existing statute does not expressly address whether the privilege applies to communications between a client, who is acting as a fiduciary by a written instrument in administering fiduciary property, and an attorney. A few recent cases on this issue are discussed below.

In *Tripp v. Salkovitz*, 919 So. 2d 716 (Fla. 2d DCA 2006) the court ruled that the trial court could not entirely preclude the guardian and the attorney from raising the attorney-client privilege at a deposition.

¹ The bulk of this analysis is derived from materials graciously supplied by the Real Property Probate & Trust Law Section of the Florida Bar and a Florida Bar Journal article by Jack A. Falk, Jr. entitled *The Fiduciary's Lawyer-Client Privilege: Does It Protect Communications from Discovery by a Beneficiary?*

² Section 90.502, F.S.

United States*, 449 U.S. 383, 389 (1981); *American Tobacco Co. v. State*, 697 So. 2d 1249, 1252 (Fla. 4th D.C.A. 1997); s. 2.01, F.S. (1849); *Keir v. State*, 152 Fla. 389, 11 So. 2d 886, 888 (1943)).

Furthermore, *Jacob v. Barton*, 877 So. 2d 935, 937 (Fla. 2d DCA 2004), states that if the beneficiary is the person "who will ultimately benefit from the legal work" the fiduciary has instructed the attorney to perform, the beneficiary may be considered the "real client." When the beneficiary is determined to be the real client, the beneficiary holds the privilege and is entitled to communications between the fiduciary and the attorney.

Other cases have discussed the fiduciary's lawyer-client privilege in administering fiduciary property. The Second District Court of Appeal appeared to embrace an exception to the privilege in *Barnett Banks Trust Co. v. Compson*, 629 So. 2d 849 (Fla. 2d DCA 1993), even though the court refused to permit the beneficiary access to communications between the fiduciary and lawyer. There, the court employed the analysis set forth in the seminal case decided in 1976 in Delaware, *Riggs National Bank v. Zimmer*, 355 A. 2d 709 (Del. Ch. 1976), which held that communications between the fiduciary and lawyer about administering fiduciary property were not privileged. The *Compson* court did not permit the beneficiary to avail herself of the rule in *Riggs* because she sought to deplete, rather than return, trust assets. Her interests in the litigation were found to be antagonistic to the trust, unlike the beneficiary in *Riggs*.

The First District Court of Appeal noted in *First Union Nat'l Bank v. Turney*, 824 So. 2d 172, 185-86 (Fla. 1st DCA 2001), that usually a lawyer retained by a trust represents the trustee, not the beneficiary. See also *Compson*, 629 So. 2d at 851. The court in *In re Estate of Gory*, 570 So. 2d 1381 (Fla. 4th DCA 1990), addressed an alleged conflict involving the personal representative's lawyer and determined that the lawyer did not have a lawyer-client relationship with the beneficiaries.

The court in *First Union Nat'l Bank v. Turney*, 824 So. 2d 172 (Fla. 1st DCA 2001), side-stepped a determination of whether to apply an exception to the fiduciary privilege by instead applying the crime fraud exception to permit discovery. The court therefore did not have to decide whether a "fiduciary exception to the attorney-client privilege existed in Florida." *Turney*, 824 So. 2d at 186.

Effect of Bill

The bill provides that communications between a fiduciary, who is acting under a written instrument to administer fiduciary property, and a lawyer, are privileged to the same extent as other clients who seek legal advice.

Parental Notification of Termination of a Minor's Pregnancy

SUMMARY ANALYSIS

The Parental Notice of Abortion Act requires the physician performing or inducing the termination of the pregnancy of a minor to give at least 48 hours' actual notice to one parent or the legal guardian of the minor. If actual notice is not possible, the physician may give constructive notice by sending the notice certified mail return receipt requested. The Act permits a minor to seek a judicial waiver of the notice requirement.

This bill increases the notice requirements for a physician prior to performing or inducing the termination of the minor's pregnancy. The bill provides specific factors a court must consider in determining whether to grant a judicial waiver.

The bill increases the evidentiary threshold, to clear and convincing, that the evidence must meet before a court will permit a waiver of the notice requirement for the minor's best interest. The bill also prohibits a court from looking to the financial best interest of the minor, or the potential financial impact on the minor or her family, if she does not terminate her pregnancy in this best interest standard.

Finally, the bill increases the time limits for a court to rule on a request for judicial waiver of the notice requirement.

This bill does not appear to have a fiscal impact on state or local governments.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Safeguard individual liberty -- This bill increases the notice requirements for a physician to provide a pregnant minor's parent or guardian before performing or inducing the termination of the minor's pregnancy.

Empower families -- This bill provides specific factors a court must consider in determining to permit a pregnant minor to avoid notifying her parent or guardian prior to the termination of a minor's pregnancy.

B. EFFECT OF PROPOSED CHANGES:

The Florida Constitution provides in part:

[T]he Legislature is authorized to require by general law for notification to a parent or guardian of a minor before the termination of the minor's pregnancy. The Legislature shall provide exceptions to such requirement for notification and shall create a process for judicial waiver of the notification.¹

The legislature has codified the requirement for notification in the "Parental Notice of Abortion Act"² ("Act"), which requires that a physician that intends on performing or inducing the termination of the pregnancy of a minor give notice to one of the parents of the pregnant minor before performing or inducing the termination. A physician's violation of the notice requirements is grounds for disciplinary action.³ Alternatively, prior notice is not required in a medical emergency, or where the minor seeks and obtains a judicial waiver of the notice requirement under limited circumstances.

Actual Notice to a Parent

Section 390.01114(3), F.S., requires that the physician give at least 48 hours' actual notice to one parent or the legal guardian of the minor. Section 390.01114(2)(a), F.S., defines "actual notice" as notice "that is given directly, in person or by telephone, to a parent or legal guardian of a minor, by a physician, at least 48 hours before the inducement or performance of a termination of pregnancy, and documented in the minor's files."

This bill amends s. 390.01114(3)(a), F.S. to add that, if actual notice is given by telephone, the notice must be confirmed in writing, signed by the physician, and mailed to the last known address of the parent both by regular mail and by certified mail, return receipt requested, delivery restricted.

Constructive Notice to a Parent

If actual notice is not possible, the physician may give constructive notice by sending the notice certified mail return receipt requested.⁴ Section 390.01114(2)(c), F.S., defines "constructive notice" as "notice that is given in writing, signed by the physician, and mailed at least 72 hours before the inducement or performance of the termination of pregnancy, to the last known address of the parent or legal guardian of the minor, by certified mail, return receipt requested, and delivery restricted to the parent or legal guardian. After the 72 hours have passed, delivery is deemed to have occurred."

¹ Article X, s. 22, Fla.Const.

² Section 390.01114, F.S.

³ Section 390.01114(3)(c), F.S. The applicable disciplinary provisions are found at ss. 458.331 and 459.015, F.S.

⁴ Section 390.01114(3)(a), F.S.

This bill amends the definition of constructive notice in s. 390.01114(2)(c), F.S., to add a requirement that a copy of the written notice also be sent by regular mail.

Waiver of Notice - Medical Emergency

Notice is not required if a medical emergency exists and there is insufficient time to comply with the notice requirements. If a medical emergency exists, the physician may terminate the pregnancy but must document the reason for the medical necessity and provide notice after performing the procedure.

"Medical emergency" is defined as "a condition that, on the basis of a physician's good faith clinical judgment, so complicates the medical condition of a pregnant woman as to necessitate the immediate termination of her pregnancy to avert her death, or for which a delay in the termination of her pregnancy will create serious risk of substantial and irreversible impairment of a major bodily function."⁵

This bill amends s. 390.01114(3)(b), F.S., to add that, in the event of a medical emergency, the physician must:

- Make reasonable attempts to contact the parent or legal guardian
- Provide notice directly, in person, or by telephone, to the parent or guardian of the minor, detailing the medical emergency and any additional risks to the minor.
- If the physician is unable to contact the parent or guardian within 24 hours after the termination, the physician must sign and mail a notice detailing the medical emergency to the parent or guardian by certified mail and by regular mail, return receipt requested, and delivery restricted to the parent or guardian.

Waiver of Notice - Prior Waiver by Parent

Section 390.01114(3)(b)2., F.S., provides that a person entitled to notice may waive the requirement of receiving notice from the physician provided the waiver is in writing.

This bill amends s. 390.01114(3)(b)2., F.S., to add a requirement that any such waiver must be specific, in writing, notarized, and dated not more than 30 days before the termination of the pregnancy.

Judicial Waiver - Jurisdiction

The Act allows a minor seeking a judicial waiver to file the petition in any circuit court within the jurisdiction of the District Court of Appeal in which she resides. There are five appellate divisions in the state. The district with the least number of counties contains 2 counties,⁶ and the district with the most number of counties contains 32.⁷

This bill amends s. 390.01114(4)(a), F.S., to allow the minor to petition any circuit court in the judicial circuit that she resides in. There are 20 judicial circuits in the state, ranging in size from 1 to 7 counties.

⁵ Section 390.01114(2)(d), F.S.

⁶ The Third District contains Dade and Monroe counties.

⁷ The First District is bounded by Escambia County in the West, Duval County in the East, and Levy County in the South.

Judicial Waiver - Time Limits

Section 309.01114(4)(b), F.S., provides that a court must rule on a petition for judicial waiver within 48 hours unless the minor requests an extension of time.⁸ If the court does not rule on the petition within the 48 hour period, the petition is granted and the notice requirement is waived.⁹

This bill amends s. 390.01114(4)(b), F.S., to provide that a court must rule on the petition within 5 days unless the minor requests an extension of time. If the court fails to rule in that 5 days and no extension has been granted, the petition is not granted and the notice requirement is not waived.

Additionally, this bill provides, if the court has failed to rule within the 5 days, the minor may immediately petition the chief judge of the circuit for a hearing within 48 hours of the expiration of the 5 day period. The chief judge must ensure that a hearing is held within 48 hours after the receipt of the minor's petition to the chief judge, and that an order granting or denying the waiver is issued with 24 hours after such hearing.

This bill also adds that a court's ruling need not be a final order if the court deems that it needs more information. In such case, the court must enter a final order within 14 days after the petition by the minor has been filed. If the petition is not granted, the minor has a right to an appeal. The appellate court must rule within 7 days after receipt of the appeal, but the appellate court may remand the case with further instructions to the trial court for a ruling within 7 days after the remand.¹⁰ This bill specifies that the standard of review by the appellate court is "abuse of discretion," accordingly the appellate court may not base its opinion on the weight of the evidence.¹¹

Judicial Waiver - Maturity

Section 309.01114(4)(c), F.S., provides that the court must issue a judicial waiver (allowing termination of the pregnancy without notice to a parent or guardian) if the court finds, by clear and convincing evidence,¹² that the minor is sufficiently mature to make the decision to terminate her pregnancy. At the hearing, the court must hear evidence relating to the emotional development, maturity, intellect, and understanding of the minor, must provide for a written transcript, and must issue written and specific factual findings and legal conclusions.¹³

⁸ Section 390.01114(4)(b), F.S.

⁹ Section 390.01114(4)(b), F.S.

¹⁰ In the case of *In re: Doe*, 30 Fla. L. Weekly D2575 (Fla. 2nd DCA 2005), the Second District Court of Appeal concluded that the trial court had not properly prepared a final order detailing the evidence and the court's reasoning. Due to the time constraints within the Act the court ordered the immediate issuance of a judicial waiver rather than remand for a new hearing.

¹¹ In the case of *In re: Doe*, 31 Fla. L. Weekly D560 (Fla. 1st DCA 2006), Judge Hawkes noted in dissent:

The majority acknowledges a trial court's findings of fact that are supported by competent, substantial evidence are due great deference. However, most of the majority opinion outweighs the facts found by the trial court to reach a different conclusion. Because appellate courts are not permitted to reweigh the trial court's factual findings, I would affirm.

¹² "Clear and convincing evidence" is described as:

This intermediate level of proof entails both a qualitative and quantitative standard. The evidence must be credible; the memories of the witnesses must be clear and without confusion; and the sum total of the evidence must be of sufficient weight to convince the trier of fact without hesitancy. [C]lear and convincing evidence requires that the evidence must be found to be credible; the facts to which the witnesses testify must be distinctly remembered; the testimony must be precise and explicit and the witnesses must be lacking in confusion as to the facts in issue. The evidence must be of such weight that it produces in the mind of the trier of fact a firm belief or conviction, without hesitancy, as to the truth of the allegations sought to be established.

Inquiry Concerning Davey, 645 So. 2d 398 (Fla. 1994).

¹³ Section 390.01114(4)(e), F.S.

This bill amends s. 309.01114(4)(c), F.S., to specify the factors that a court must consider when making a determination regarding maturity. The factors include: age; overall intelligence; emotional stability; credibility and demeanor as a witness; ability to accept responsibility; ability to assess the future impact of her present choices; and her ability to understand and explain the medical consequences of the abortion and apply that understanding to her decision. The court must also consider whether there has been any undue influence by another on the minor's decision to abort her pregnancy.

Judicial Waiver - Best Interest Standard

Section 309.01114(4)(d), F.S., provide that the court must issue a judicial waiver (allowing termination of the pregnancy without notice to a parent or guardian) if the court finds, by a preponderance of the evidence, that there is evidence of child abuse or sexual abuse of the minor by one or more parents or by a guardian. The court must also issue a judicial waiver if the court finds that "notification of a parent or guardian is not in the best interest" of the minor.

This bill amends s. 309.01114(4)(d), F.S., regarding the best interest standard, to require that evidence of the best interest of the minor must be "clear and convincing." The bill also limits the best interest provision to provide that it "must not include financial best interest or considerations, or the potential financial impact on the minor or her family if she does not terminate her pregnancy."¹⁴

State Reporting

Section 309.01114(6), F.S., requires the Supreme Court, through the office of the State Courts Administrator, to report each year by February 1st to the Governor, the President of the Senate, and the Speaker of the House of Representatives on the number of petitions filed for judicial waiver for the prior year, and the timing and manner of disposal of those petitions by each circuit court.

This bill amends the reporting requirement to require that the reason for each waiver granted be included in the report.

Mandatory Child Abuse Reporting

Section 39.201, F.S., requires that any person who knows, or has reasonable cause to suspect, that a child is abused, abandoned, or neglected by a parent, legal custodian, caregiver, or other person responsible for the child's welfare, must report such knowledge or suspicion to the Department of Children and Families. Certain professionals must give their name when making the report; that is, they cannot make an anonymous report. Judges are included in the list of such professionals. The Parental Notice of Abortion Act does not currently contain any specific requirement regarding the mandatory reporting of child abuse. The fact that a minor is pregnant will, in some instances, lead to a finding that such pregnancy is a result of abuse that warrants prosecution.

This bill creates subsection (7) in s. 309.01114, F.S., to reaffirm the requirement in current law that any person who knows or has reasonable cause to suspect that a child has been abused must report that information to the Department of Children and Families pursuant to the mandatory reporting requirements of s. 39.201, F.S.

C. SECTION DIRECTORY:

Section 1 amends s. 390.01114, F.S., relating to parental notice of the termination of a minor's pregnancy.

¹⁴ In the case of *In re: Doe*, 30 Fla. L. Weekly D2575 (2nd DCA 2005), the Second District Court of Appeal reversed a trial court and ordered that a minor be granted a judicial waiver. In part, the minor alleged that it was in her best interest to not notify her parents of the pregnancy because she believed that they would ostracize her from the home, thereby causing her financial harm.

Section 2 provides an effective date of July 1, 2006.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

This bill does not appear to require counties or municipalities to take an action requiring the expenditure of funds, reduce the authority that counties or municipalities have to raise revenue in the aggregate, nor reduce the percentage of state tax shared with counties or municipalities.

2. Other:

In general, parental notification laws do not violate the United States Constitution.¹⁵

Florida previously enacted a statutory parental notification law. The Florida Supreme Court ruled that the law violated the right to privacy in the Florida Constitution.¹⁶ In response to the ruling, the 2004 Legislature passed HJR 1, proposing an amendment to the Florida constitution that specifically allows the legislature to enact a statute regarding parental notification. The joint resolution, adopted by the electorate in the November 2004 general election,¹⁷ provides:

ARTICLE X SECTION 22. Parental notice of termination of a minor's pregnancy.-
-The legislature shall not limit or deny the privacy right guaranteed to a minor under the United States Constitution as interpreted by the United States Supreme Court. Notwithstanding a minor's right of privacy provided in Section 23

¹⁵ *Ayotte v. Planned Parenthood of Northern New England*, 126 S.Ct. 961 (2006)

¹⁶ *North Florida Women's Health and Counseling Services v. State*, 866 So. 2d 612 (Fla. 2003).

¹⁷ The vote was 64.7% in favor of the amendment. See

<http://election.dos.state.fl.us/elections/resultsarchive/Index.asp?ElectionDate=11/2/2004&DATAMODE=>

of Article I, the Legislature is authorized to require by general law for notification to a parent or guardian of a minor before the termination of the minor's pregnancy. The Legislature shall provide exceptions to such requirement for notification and shall create a process for judicial waiver of the notification.

Timeframe for Review

The bill provides that a minor seeking judicial waiver of the notice requirement may petition any circuit court in the judicial circuit in which she resides. Further, the bill provides that a court must rule on the petition within 5 days unless the minor requests an extension of time.

The bill further provides that a court's ruling need not be a final order if the court deems it needs more information, but the court must enter a final order within 14 days after the petition by the minor has been filed. If the petition is not granted, the minor has a right to an appeal. The appellate court must rule within 7 days after receipt of the appeal, but the appellate court may remand the case with further instructions to the trial court for a ruling within 7 days after the remand. The standard of review of the trial court on appeal is an abuse of discretion standard, and the trial court may not be reversed based on the weight of the evidence presented to the circuit court.

The Supreme Court in *Ohio v. Akron Center for Reproductive Health*, 497 U.S. 502 (1990) addressed a situation in which 5 days were permitted by the trial court in ruling on a petition for a judicial waiver, and overall the process could have taken 22 days from filing of petition to ruling by an appellate court to resolve. The Court concluded that 22 days was "plainly insufficient to invalidate the statute on its face."¹⁸

It may be possible under this bill for there to be 28 days from the filing of petition to final ruling by an appellate court.

B. RULE-MAKING AUTHORITY:

None.

C. DRAFTING ISSUES OR OTHER COMMENTS:

In several places in the bill regarding mailing of notice, the requirement is changed to "certified mail and by regular mail, return receipt requested, and delivery restricted to the parent or legal guardian." Return receipt service and restricted delivery services are not available for regular mail, only for certified mail. It is suggested that these provisions be amendment for clarity.

Line 135 is in the section of the bill that provides that it is the chief judge's duty to ensure a hearing is held within 48 hours of the expiration of the 5 day period (for ruling on a waiver petition). A hearing will then be held within 48 hours after the receipt of the minor's petition and an order "granted" within 24 hours after the hearing. It is unclear if this order is an order granting the petition for waiver of the notice requirement, or if this means that an order will be entered within that 24 hour timeframe. This is also true for the language in line 138.

16 Be It Enacted by the Legislature of the State of Florida:

17
18 Section 1. Section 390.01114, Florida Statutes, is amended
19 to read:

20 390.01114 Parental Notice of Abortion Act.--

21 (1) SHORT TITLE.--This section may be cited as the
22 "Parental Notice of Abortion Act."

23 (2) DEFINITIONS.--As used in this section, the term:

24 (a) "Actual notice" means notice that is given directly,
25 in person or by telephone, to a parent or legal guardian of a
26 minor, by a physician, at least 48 hours before the inducement
27 or performance of a termination of pregnancy, and documented in
28 the minor's files.

HB 1527

2006

(b) "Child abuse" has the same meaning as s. 39.0015(3).

(c) "Constructive notice" means notice that is given in writing, signed by the physician, and mailed at least 72 hours before the inducement or performance of the termination of pregnancy, to the last known address of the parent or legal guardian of the minor, by certified mail and by regular mail, return receipt requested, and delivery restricted to the parent or legal guardian. After the 72 hours have passed, delivery is deemed to have occurred.

(d) "Medical emergency" means a condition that, on the basis of a physician's good faith clinical judgment, so complicates the medical condition of a pregnant woman as to necessitate the immediate termination of her pregnancy to avert her death, or for which a delay in the termination of her pregnancy will create serious risk of substantial and irreversible impairment of a major bodily function.

(e) "Sexual abuse" has the meaning ascribed in s. 39.01.

(f) "Minor" means a person under the age of 18 years.

(3) NOTIFICATION REQUIRED.--

(a) Actual notice shall be provided by the physician performing or inducing the termination of pregnancy before the performance or inducement of the termination of the pregnancy of a minor. The notice may be given by a referring physician. The physician who performs or induces the termination of pregnancy must receive the written statement of the referring physician certifying that the referring physician has given notice. If actual notice is not possible after a reasonable effort has been made, the physician performing or inducing the termination of

HB 1527

2006

57 pregnancy or the referring physician must give constructive
58 notice. Notice given under this subsection by the physician
59 performing or inducing the termination of pregnancy must include
60 the name and address of the facility providing the termination
61 of pregnancy, the name of the physician providing notice. Notice
62 given under this subsection by a referring physician must
63 include the name and address of the facility where he or she is
64 referring the minor and the name of the physician providing
65 notice. If actual notice is provided by telephone, the physician
66 must actually speak with the parent or guardian, and must record
67 in the minor's medical file the name of the parent or guardian
68 provided notice, the phone number dialed, and the date and time
69 of the call. If constructive notice is given, the physician must
70 document that notice by placing copies of any document related
71 to the constructive notice, including, but not limited to, a
72 copy of the letter and the return receipt, in the minor's
73 medical file. Actual notice given by telephone shall be
74 confirmed in writing, signed by the physician, and mailed to the
75 last known address of the parent or legal guardian of the minor,
76 by certified mail and by regular mail, return receipt requested,
77 and delivery restricted to the parent or legal guardian.

78 (b) Notice is not required if:

79 1. In the physician's good faith clinical judgment, a
80 medical emergency exists and there is insufficient time for the
81 attending physician to comply with the notification
82 requirements. If a medical emergency exists, the physician must
83 make reasonable attempts to contact the parent or legal
84 guardian, may proceed but must document reasons for the medical

HB 1527

2006

necessity in the patient's medical records, and must provide notice directly, in person, or by telephone, to the parent or legal guardian, with details of the medical emergency and any additional risks to the minor. If the parent or legal guardian has not been notified within 24 hours of the termination of the pregnancy, the physician must provide notice in writing including details of the medical emergency and any additional risks to the minor, signed by the physician, to the last known address of the parent or legal guardian of the minor, by certified mail and by regular mail, return receipt requested, and delivery restricted to the parent or legal guardian;

2. Notice is waived in writing by the person who is entitled to notice and such waiver is notarized, dated not more than 30 days before the termination of pregnancy, and contains a specific waiver of the right of the parent or legal guardian to notice of the minor's termination of pregnancy;

3. Notice is waived by the minor who is or has been married or has had the disability of nonage removed under s. 743.015 or a similar statute of another state;

4. Notice is waived by the patient because the patient has a minor child dependent on her; or

5. Notice is waived under subsection (4).

(c) Violation of this subsection by a physician constitutes grounds for disciplinary action under s. 458.331 or s. 459.015.

(4) PROCEDURE FOR JUDICIAL WAIVER OF NOTICE.--

(a) A minor may petition any circuit court in the a judicial circuit ~~within the jurisdiction of the District Court~~

HB 1527

2006

113 ~~of Appeal~~ in which she resides for a waiver of the notice
 114 requirements of subsection (3) and may participate in
 115 proceedings on her own behalf. The petition may be filed under a
 116 pseudonym or through the use of initials, as provided by court
 117 rule. The petition must include a statement that the petitioner
 118 is pregnant and notice has not been waived. The court shall
 119 advise the minor that she has a right to court-appointed counsel
 120 and shall provide her with counsel upon her request at no cost
 121 to the minor.

122 (b)1. Court proceedings under this subsection must be
 123 given precedence over other pending matters to the extent
 124 necessary to ensure that the court reaches a decision promptly.
 125 The court shall rule, and issue written findings of fact and
 126 conclusions of law, within 5 days ~~48 hours~~ after the petition is
 127 filed, except that the 5-day ~~48-hour~~ limitation may be extended
 128 at the request of the minor. If the court fails to rule within
 129 the 5-day ~~48-hour~~ period and an extension has not been
 130 requested, the petition is not granted, and the notice
 131 requirement is not waived. The minor may then immediately
 132 petition for a hearing within 48 hours of the expiration of the
 133 5-day period to the chief judge of the circuit, who must ensure
 134 a hearing is held within 48 hours after receipt of the minor's
 135 petition and an order granted within 24 hours after the hearing.

136 2. A court's ruling need not be a final order if the court
 137 deems it needs more information, but a final order must be
 138 granted within 14 days after the petition is filed. If the
 139 circuit court does not grant judicial waiver of notice, the
 140 minor has the right to appeal. An appellate court must rule

HB 1527

2006

within 7 days after receipt of appeal, but a ruling may be
remanded with further instruction for a ruling within 7 days
after the remand. The reason for overturning a ruling on appeal
must be based on abuse of discretion by the circuit court and
may not be based on the weight of the evidence presented to the
circuit court since the proceeding is a nonadversarial
proceeding.

(c) If the court finds, by clear and convincing evidence,
 that the minor is sufficiently mature to decide whether to
 terminate her pregnancy, the court shall issue an order
 authorizing the minor to consent to the performance or
 inducement of a termination of pregnancy without the
 notification of a parent or guardian. If the court does not make
 the finding specified in this paragraph or paragraph (d), it
 must dismiss the petition. Factors a court shall consider when
determining whether a minor is sufficiently mature include, but
are not limited to:

1. The minor's:

a. Age.

b. Overall intelligence.

c. Emotional stability.

d. Credibility and demeanor as a witness.

e. Ability to accept responsibility.

f. Ability to assess the future impact of her present
choices.

g. Ability to understand and explain the medical
consequences of abortion and apply that understanding to her
decision.

HB 1527

2006

169 2. Whether there has been any undue influence by another
170 on the minor's decision to have an abortion.

171 (d) If the court finds, by a preponderance of the
172 evidence, that there is evidence of child abuse or sexual abuse
173 of the petitioner by one or both of her parents or her guardian,
174 or by clear and convincing evidence that the notification of a
175 parent or guardian is not in the best interest of the
176 petitioner, the court shall issue an order authorizing the minor
177 to consent to the performance or inducement of a termination of
178 pregnancy without the notification of a parent or guardian. The
179 best interest standard must not include financial best interest
180 or considerations, or the potential financial impact on the
181 minor or her family if she does not terminate her pregnancy. If
182 the court finds evidence of child abuse or sexual abuse of the
183 minor petitioner by any person, the court shall report the
184 evidence of child abuse or sexual abuse of the petitioner, as
185 provided in s. 39.201. If the court does not make the finding
186 specified in this paragraph or paragraph (c), it must dismiss
187 the petition.

188 (e) A court that conducts proceedings under this section
189 shall provide for a written transcript of all testimony and
190 proceedings and issue written and specific factual findings and
191 legal conclusions supporting its decision and shall order that a
192 confidential record be maintained, as required under s.
193 390.01116. At the hearing, the court shall hear evidence
194 relating to the emotional development, maturity, intellect, and
195 understanding of the minor, and all other relevant evidence. All
196 hearings under this section, including appeals, shall remain

HB 1527

2006

197 confidential and closed to the public, as provided by court
198 rule.

199 (f) An expedited appeal shall be available, as the Supreme
200 Court provides by rule, to any minor to whom the circuit court
201 denies a waiver of notice. An order authorizing a termination of
202 pregnancy without notice is not subject to appeal.

203 (g) No filing fees or court costs shall be required of any
204 pregnant minor who petitions a court for a waiver of parental
205 notification under this subsection at either the trial or the
206 appellate level.

207 (h) No county shall be obligated to pay the salaries,
208 costs, or expenses of any counsel appointed by the court under
209 this subsection.

210 (5) PROCEEDINGS.--The Supreme Court is requested to adopt
211 rules and forms for petitions to ensure that proceedings under
212 subsection (4) are handled expeditiously and in a manner
213 consistent with this act. The Supreme Court is also requested to
214 adopt rules to ensure that the hearings protect the minor's
215 confidentiality and the confidentiality of the proceedings.

216 (6) REPORT.--The Supreme Court, through the Office of the
217 State Courts Administrator, shall report by February 1 of each
218 year to the Governor, the President of the Senate, and the
219 Speaker of the House of Representatives on the number of
220 petitions filed under subsection (4) for the preceding year, and
221 the timing and manner of disposal of such petitions by each
222 circuit court. For each petition resulting in a waiver of
223 notice, the reason for the waiver shall be reported.

HB 1527

2006

224 (7) MANDATORY CHILD ABUSE REPORTING.--The requirements of
225 s. 39.201 relating to mandatory reports of child abuse apply to
226 this section.
227 Section 2. This act shall take effect July 1, 2006.

SUMMARY ANALYSIS

No court may preside over a case unless the court has jurisdiction over the persons and the subject matter involved. A court bases personal jurisdiction on the acts of the party involved. This bill increases the types of acts that will subject a person to the jurisdiction of Florida courts by providing that under certain circumstances a court will have personal jurisdiction of a person who enters into a contract with a choice of law agreement.

Current law provides for those individuals that can be served process on behalf of a corporation. This bill adds that the Secretary of State can be served process in the case of a domestic corporation or a registered foreign corporation if all other efforts required by statute have been exhausted.

This bill expands the scope of a "foreign judgment" to include judgments of any court that is entitled to full faith and credit in Florida.

This bill expands the types of contracts that can have Florida choice of law agreements in the contracts.

This bill appears to have an indeterminate, but likely minimal, recurring fiscal impact on state government. This bill does not appear to have a fiscal impact on local governments.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Provide limited government -- This bill increases the types of acts which will subject a person to the jurisdiction of Florida courts, increases the types of contracts which can have choice of law agreements in Florida, and increases the responsibilities and duties of the Secretary of State.

B. EFFECT OF PROPOSED CHANGES:

Present Situation

Section 48.193(1), F.S., provides that state courts have personal jurisdiction over any person, whether or not a citizen or resident of the state, who personally or through an agent does any of the following acts:

- Operating, conducting, engaging in, or carrying on a business in this state, or having an office or agency in this state;
- Committing a tort within the state.
- Owning, using, possessing, or holding a mortgage or other lien on any real property within this state.
- Breaching a contract in this state by failing to perform acts required by the contract to be performed in this state.
- Contracting to insure any person, property, or risk located within this state at the time of contracting.
- Causing injury to persons or property within this state arising out of an act or omission by the defendant outside this state, if:
 - The defendant was engaged in solicitation or service activities within this state; or
 - Products, materials, or things processed, serviced, or manufactured by the defendant were used or consumed within this state in the ordinary course of commerce, trade, or use.

Sections 685.101 and 685.102, F.S., also pertain to the jurisdiction of Florida courts. Section 685.101, F.S., provides that any party to a contract involving at least \$250,000 can agree that the law of Florida will govern whether or not the contract bears any relation to the state. This provision does not apply to any contract:

- Regarding any transaction that does not bear a substantial or reasonable relation to the state of Florida in which every party is either a resident or citizen of the United States, but not this state, or incorporated or organized under the laws of another state and does not maintain a place of business in Florida.
- For labor or employment.
- Relates to any transaction for personal, family, or household purpose, unless the contract concerns a trust where at least one trustee resides or transacts business as a trustee in this state.

Section 685.102, F.S., provides that any person can file in the state of Florida any action or proceeding against a person or entity residing or located outside this state, if the action or proceeding arises out of or relates to any contract for which a choice of the law of agreement in Florida has been made pursuant to the provisions described above in s. 685.101, F.S.

Section 48.081, F.S., provides the manner in which service of process can be served on a corporation. Service of process is the formal delivery of the first legal notice to a defendant that the defendant is

being sued. Since a corporation is not an individual that can be personally served, this section provides the individuals within a corporation that can be served on behalf of the corporation. Process can be served on the president, vice president, cashier, treasurer, secretary, general manager, any director, or business agent residing in Florida. Process may also be served on the person designated by the corporation for receipt of process, known as the "registered agent".

Section 55.502, F.S., provides for the definition of a "foreign judgement" under the "Florida Enforcement of Foreign Judgments Act". The general purpose of the Florida Enforcement of Foreign Judgments Act is to make uniform the law with respect to enforcing foreign judgments among the states enacting it. The Act provides the method by which foreign judgments, entitled to full faith and credit under constitutional standards, may become Florida judgments for enforcement purposes. Subject to the judgment debtor's right to file an action within a specified time challenging the validity of the foreign judgment, the Act permits the enforcement of the foreign judgment without the filing of a separate action. A "foreign judgment" is any judgment, decree, or order of a court of any other state or of the United States if such judgment, decree, or order is entitled to full faith and credit in this state.

Effect of Bill

This bill amends s. 48.193(1), F.S., to provide that entering into a contract where there is a choice of Florida law agreement, pursuant to s. 685.101, F.S., will subject a person to the jurisdiction of Florida courts, whether or not they are a citizen or resident of Florida.

This bill amends s. 685.101(2), F.S. to expand the types of contracts that can have choice of law agreements. This bill removes the provision that this section does not apply to "any contract regarding any transaction that does not bear a substantial or reasonable relation to the state of Florida in which every party is either a resident or citizen of the United States, but not this state, or incorporated or organized under the laws of another state and does not maintain a place of business in Florida". Therefore, parties that are not citizens or residents of Florida and whose contract is not substantially or reasonably related to Florida would be able to agree that the law of Florida will govern the contract.

This bill also amends s. 685.101(2), F.S., to remove the provision that choice of law agreements pursuant to s. 685.101, F.S., will not apply to contracts relating to any transaction for personal, family, or household purpose, "unless the contract concerns a trust where at least one trustee resides or transacts business as a trustee in this state". Therefore, it appears that a contract or agreement that concerns a trust where at least one trustee resides or transacts business as a trustee in Florida will not be allowed to have a Florida choice of law agreement.

This bill also amends ss. 685.101(4) and 685.102(3) F.S., to provide that this section applies to contracts entered into on or before June 30, 2006. This bill removes language in both sections providing that the two sections apply to "contracts entered into prior to June 27 1989, if an action or proceeding relating to the contract is commenced on or after June 27, 1989".

This bill amends s. 48.081, F.S., to provide that when all other persons that can be served process on behalf of a corporation as provided in current law are unavailable, process can be served on the Secretary of State in the case of a domestic corporation or a registered foreign corporation.

This bill amends s. 55.502, F.S., to revise the definition of a "foreign judgment". This bill provides that a foreign judgment is any judgment, decree, or order of a court of the United States or any other court that is entitled to full faith and credit in this state. The change in the definition that a foreign judgment consists of an judgment of the United States or "any other court" which is entitled to full faith and credit in this state allows judgments from courts in U.S. territories and other places under U.S. jurisdiction that are not states. Current law provides that a foreign judgment only pertains to courts of "any other state, or of the United States".

C. SECTION DIRECTORY:

Section 1 amends s. 48.081, F.S., to provide that the Secretary of State can be served process on behalf of a domestic corporation or a registered foreign corporation.

Section 2 amends s. 48.193, F.S., to provide that entering into a contract that complies meets certain requirements will subject a person to the jurisdiction of Florida courts.

Section 3 amends s. 55.502, F.S., to revise the definition of "foreign judgment".

Section 4 amends s. 685.101, F.S., to revise the types of contracts where a choice of law agreement in Florida is permitted.

Section 5 amends s. 685.102, F.S., to revise the timeframe that contracts must be entered to apply to the provisions of the section.

Section 6 provides an effective date of June 30, 2006.

II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

This bill allows the Secretary of State to be served on behalf of a domestic corporation or registered foreign corporation. The filing fee for each service of process collected by the department is \$8.75. This would have an indeterminate increase on state government revenues.

2. Expenditures:

This bill, by allowing persons to serve process on the Department of State on behalf of domestic corporations and registered foreign corporations, will cause an indeterminate increase of state government expenditures, related to filing and forwarding service of process papers.

SUMMARY ANALYSIS

The Department of Environmental Protection has established coastal construction control lines along the sand beaches of the state fronting on the Atlantic Ocean, Gulf of Mexico, and the Straits of Florida. The purpose of these lines is to define the portions of the beach-dune system that are subject to severe erosion, and to prohibit new construction seaward of this line unless granted a special permit by the Department of Environmental Protection.

This bill requires the seller of property subject to the coastal construction control line to present a prospective purchaser with a specific disclosure statement providing that the property is subject to erosion and to federal, state, or local regulations.

The bill also provides that failure to deliver the disclosure will not effect the enforcement of the sale and purchase contract, create a right of recession, or impair the property's title.

This bill does not appear to have a fiscal impact on state or local governments.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Provide limited government -- This bill increases the disclosure requirements that a seller of coastal property must provide to a prospective purchaser.

B. EFFECT OF PROPOSED CHANGES:

Present Situation

The Department of Environmental Protection (department) has established coastal construction control lines, as required by statute, on a county basis along the sand beaches of the state fronting on the Atlantic Ocean, Gulf of Mexico, and the Straits of Florida.¹ The purpose of these lines is to define that portion of the beach-dune system that is subject to severe fluctuations based on a 100-year storm surge, storm waves, or other predictable weather conditions.² Upon the recording of the survey showing the location of a beach erosion control line, title to all lands seaward of the erosion control line are deemed to be vested in the state by right of its sovereignty.³ Property seaward of the coastal construction control line can be subject to coastal erosion and to federal, state, or local regulations that govern coastal property, such rigid coastal protection structures⁴, beach nourishment, and protection of marine turtles.

Current law requires that a seller of real property located partially or totally seaward of the coastal construction control line provide to the purchaser an affidavit, or a survey, that discloses to the purchaser the location of the coastal control line on the property being conveyed.⁵ This disclosure requirement was established by the legislature to ensure that purchasers in coastal areas were aware that such lands are subject to frequent and severe fluctuations due to erosion.⁶ Critical erosion affects the value of property a great deal more than is often acknowledged. The amount of depression of coastal property values due to erosion over the next twenty years for properties along the Atlantic coast of the United States has been estimated at between \$1.7 and \$2.7 billion.⁷

There also exists in the common law a general duty to disclose when a seller is aware of facts materially affecting value or desirability of property, which are not readily observable and are not known to the buyer.⁸ Several provisions in current law require the seller to provide specific disclosure statements prior to the sale of real property. A seller must disclose:

- The amount of ad valorem taxes on real property;⁹
- Whether there are homeowners' association covenants;¹⁰
- Energy performance level for each new residential building¹¹; and

⁴ Rigid coastal protection structures are man-made structures or devices in or near the coastal system for the purpose of preventing erosion of the beach or the upland dune system or to protect upland structures from the effects of coastal wave and current activity.

Effect of Bill

The bill amends s. 161.57, F.S., pertaining to the "Coastal Properties Disclosure Statement", to require an additional disclosure of a seller of coastal real property that is seaward of the coastal construction control line as defined s. 161.053, F.S. At or prior to closing the seller is required to disclose that:

The property being purchased may be subject to coastal erosion and certain federal, state, or local regulations that regulate coastal property, including the delineation of the coastal construction control line, rigid coastal protection structures, beach nourishment, and the protection of marine turtles. Additional information can be obtained from the Department of Environmental Protection (DEP), including whether there are significant erosion conditions associated with the shore line of the property being purchased.

The disclosure may be set forth in the contract or in a separate writing.

The bill also provides that failure to deliver the disclosure, affidavit, or survey required by s. 161.57, F.S., shall not effect the enforcement of sale and purchase contract by either party, create a right of recession by the purchaser, or impair the property's title.

C. SECTION DIRECTORY:

Section 1 amends s. 161.57, F.S., to provide disclosure requirements for property located seaward of the coastal construction control line.

Section 2 provides an effective date of October 1, 2006.

IV. AMENDMENTS/COMMITTEE SUBSTITUTE & COMBINED BILL CHANGES

N/A

HB 1621

2006

A bill to be entitled
An act relating to coastal properties disclosure
statements; amending s. 161.57, F.S.; requiring sellers of
certain coastal properties to provide a disclosure
statement to prospective purchasers; providing language
for the disclosure statement; preserving the
enforceability of certain contracts and title conveyances;
providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 161.57, Florida Statutes, is amended to
read:

161.57 Coastal properties disclosure statement.--

(1) The Legislature finds that it is necessary to ensure
that the purchasers of interests in real property located in
coastal areas partially or totally seaward of the coastal
construction control line as defined in s. 161.053 are fully
apprised of the character of the regulation of the real property
in such coastal areas and, in particular, that such lands are
subject to frequent and severe fluctuations.

(2) At or prior to the time a seller and a purchaser both
execute a contract for the sale and purchase of any interest in
real property located either partially or totally seaward of the
coastal construction control line as defined in s. 161.053, the
seller shall provide to the prospective purchaser the following
disclosure, which may be set forth in the contract or in a
separate writing:

HB 1621

2006

29
30 The property being purchased may be subject to coastal
31 erosion and to federal, state, or local regulations that
32 govern coastal property, including the delineation of the
33 coastal construction control line, rigid coastal protection
34 structures, beach nourishment, and protection of marine
35 turtles. Additional information can be obtained from the
36 Florida Department of Environmental Protection, including
37 whether there are significant erosion conditions associated
38 with the shoreline of the property being purchased.

39
40 ~~(3)(2)~~ Unless otherwise waived in writing by the
41 purchaser, at or prior to the closing of any transaction where
42 an interest in real property located either partially or totally
43 seaward of the coastal construction control line as defined in
44 s. 161.053 is being transferred, the seller shall provide to the
45 purchaser an affidavit, or a survey meeting the requirements of
46 chapter 472, delineating the location of the coastal
47 construction control line on the property being transferred.

48 (4) A seller's failure to deliver the disclosure,
49 affidavit, or survey required by this section shall not impair
50 the enforceability of the sale and purchase contract by either
51 party, create any right of rescission by the purchaser, or
52 impair the title to any such real property conveyed by the
53 seller to the purchaser.

54 Section 2. This act shall take effect October 1, 2006.
